to existing improvements, completed during the tax year that were not assessed or taxable as of the preceding January 1 or improvements that have become the property of a person subject to taxation must be assessed and taxed from the date of occupation or use.

(2) (a) An owner of improvements described in subsection (1) shall notify the department that the improvements are occupied or in use. As soon as practical after receiving the notice, the department shall appraise the improvements as provided in Title 15, chapter 8.

(b) Upon completion of the appraisal, the department shall notify the owner of the appraisal.

(c) If the owner of the improvements is dissatisfied with the appraisal, the procedures for review and appeal described in 15-7-102(3) through (6) apply.

(3) To determine the amount of tax due for improvements described in subsection (1), the county treasurer shall multiply the taxable value of the new improvement by the total number of mills levied on the property for the current fiscal year and multiply the product by the ratio that the number of days in the calendar year that the property will be in taxable status bears to 365.

(4) Because the improvement will not have been assessed or taxed during the tax year because it did not exist on January 1, the department shall prepare a special assessment for the property and the county treasurer shall determine the amount of taxes that would have been due under subsection (3).

(5) (a) Except as provided in subsection (5)(b), upon determining the amount of tax due, the county treasurer shall notify the person to whom the tax is assessed, in the same manner as notification is provided under 15-16-101(2), of the amount due, and the notification must state that the taxes are payable as provided in 15-16-102. Taxes imposed under this section are not subject to the penalty and interest provisions under 15-16-102(2) and (3).

(b) If the county treasurer determines the amount of tax due on the improvements after October 1 of the tax year, the notification must state that the taxes are payable by May 31 of the following year.

(6) Immediately upon receipt of taxes imposed under this section, the county treasurer shall distribute the money in the same manner as property taxes are distributed.

(7) Improvements that are assessed and taxed under this section must be included in the tax base as newly taxable property, as provided in 15-10-420, for the fiscal year beginning July 1 that follows assessment and taxation of the improvements under this section.

(8) This section does not apply to improvements described in subsection (1) if the market value of the improvements is less than \$20,000."

**"7-6-2320. Final budget -- approval, adoption, and amendment -- exception.** (1) The budget as finally determined, in addition to setting out separately each item for which an appropriation or expenditure is authorized and the fund out of which it is to be paid, must set out:

- (b) the cash balance in the fund at the close of the preceding fiscal year;
- (c) the amount estimated to accrue to the fund from sources other than taxation;
- (d) the reserve for the next fiscal year; and
- (e) the amount necessary to be raised for each fund by tax levy during the current fiscal year.

(2) The board shall then by resolution approve and adopt the budget as finally determined and enter the budget at length in the official minutes of the board.

(3) (a) Subject to compliance with the procedures set forth in subsection (4), the board may approve and adopt a resolution amending a final budget when:

(i) shortfalls in anticipated and budgeted ~~revenues~~ revenue occur that, unless reductions in appropriations are made, will result in expenditures for the year exceeding actual ~~revenues~~ revenue and cash balances available for the year; ~~or~~

(ii) savings result from unanticipated adjustments in projected expenditures; ~~or~~

(iii) revenue has been received from property assessed and taxed pursuant to [section 1].

(b) Amended appropriations must be classified as:

(4) Prior to amending a final budget, the board shall:

(a) hold a public hearing on the proposed amendments at least 7 days prior to a vote on the resolution amending the budget; and

(b) publish notice, at least once, in a newspaper of general circulation in the county at least 6 but not more than 16 days before the hearing on the budget amendments. The published notice must specify the date, time, place, and subject of the hearing.

Fellow Representative, John Cobb of Augusta, referred to her affectionately as the "boss" cow of the House.

EIGHTIETH LEGISLATIVE DAY - APRIL 9, 2001

***WHEREAS**, it is fitting and proper that the record and accomplishments of the late Mr. Conover be filed on the official records of this Assembly and the following facts relative to his career are hereby noted:*

Max R. Conover, Broadview farmer, rancher and Montana Senator, was the eldest of five children born to Robert and Carrie Conover, November 2, 1912, in Diamond, Washington.

The Conover family moved to Comanche where Max attended grade school. During his teenage years, the family moved to the Conover Ranch in Broadview where Max graduated from high school and began farming with his father.

Although he was employed at Occident Elevator in Billings and later managed General Mills elevator in Broadview, Max was happiest on the farm. He loved the land and was proud of the Conover farm.

Max and the former Luverne Sandbak, "Lovey," were married September 20, 1936, in Broadview. Max and Lovey moved to the Conover Ranch in 1947 where they raised their three daughters, Kay, Ann and Susan.

He was elected to the Montana Senate in 1975 and during his tenure, served on Fish & Game and Agriculture Committees.

He was the chief sponsor of significant legislation including the first Family Farm Preservation Act, Montana Centennial License Plates and organ donor legislation.

Max was truly one of the friendliest people ever to serve in the legislature. You always knew where he was because he had a huge laugh that boomed through the hallways and chambers.

He liked to play a practical joke or two. More than once, I plunked down in my Senator's chair only to sit in a chair full of water.

He was a 50-year member of both the Order of Eastern Star and Rapelje Lodge No. 122. He was a charter member of the Broadview Lions Club, past president of the Montana Grain Growers Association and served on the county library board for 14 years. He was often a timekeeper at track meets and refereed ball games for 30 years.

I recall once he was walking awfully funny through the Senate hallway. I said, "Max, what on earth is wrong?" He said that he was itchin' to get home to get on his tractor so he was just practicing up.

Max enjoyed playing cards, shooting pool and bowling but his greatest love was the land and driving combines with his grandsons during harvest.

It's about springtime in heaven. My guess is Max is up there walking kinda bow-legged, getting ready to ride his tractor.

He was a true friend, a statesman, and we all miss his smile and kind heart.

Walter Laas, construction businessman who was best known for introducing the \$5 speeding ticket, was born on the family homestead northwest of Chester to Nickolas Laas and Lisa Kerbes, emigrants from Estonia.

He attended Trommer Country School and was a 1935 graduate of Chester High School. Walt received his teaching certificate from Northern Montana College in Havre although he chose to return to farming with his father instead.

During the Depression, Walt began his business career buying animal hides from local ranchers and selling used tires to area farmers. With his profits, he purchased land in 1942 near the family farm. He later managed both the Laas Bar in Chester and his business, Laas Construction.

HOUSE JOURNAL  
EIGHTIETH LEGISLATIVE DAY - APRIL 9, 2001

As a contractor and road builder, Walt was involved in numerous state construction projects including road work at Swan Lake, Thompson Falls, Yaak River and Lake Elwell. He had a natural ability to accurately assess a construction project without the aid of a pencil, paper or calculator. Engineers often marveled at this special gift.

While campaigning door-to-door, Walt met his wife, Lila. They were married June 17, 1939, in Great Falls and are the parents of three children, Jim, Darlene and Trudy.

He served eight terms in the Montana House of Representatives beginning in 1949 and rose to speaker *pro tempore*. In response to federal government demand to conserve energy, Representative Walter Laas introduced legislation that imposed a \$5 state fuel-consumption fee on speeders. He is remembered as one of the committee who welcomed President Harry Truman to Montana in 1950.

After leaving state office, Walt was elected mayor of Chester in 1975.

Walt was always community-minded. He was a charter member of the Chester Lions Club and past chairman of the Chester School Board. His other memberships included the Shelby Elks, Moose and Eagles Lodges. He was a parishioner at Our Savior's Lutheran Church in Chester.

Walt enjoyed stamp and coin collecting and playing pinochle. He was a devoted fan of the Denver Broncos.

**WILLIAM RAYNOR MACKAY, SR.**

***WHEREAS**, it is with deep and sincere sorrow that the members of the Fifty-seventh Legislative Assembly of the State of Montana record the passing of William Raynor Mackay on December 6, 1999, in Columbus, Montana.*

***WHEREAS**, it is fitting and proper that the record and accomplishments of the late Mr. Mackay be filed on the official records of this Assembly and the following facts relative to his career are hereby noted:*

William Raynor Mackay, Sr., rancher, senator, musician and arts patron, was born November 12, 1911, in Tenafly, New Jersey. The Mackay family moved west to Montana in 1901. They homesteaded on Morris Creek near Roscoe where they began their ranching legacy at the Lazy E-L Ranch.

Bill took over family ranch operations from his father, Malcolm Mackay, in 1935. Several years later on January 8, 1937, he married Joyce Childs in Englewood, New Jersey. Bill and Joyce returned to the Lazy E-L where they lived for over 60 years and raised their three children, Julie, Helen and Bill, Jr. Father and son became ranch partners in 1972; a partnership that lasted 20 years.

His love of agriculture and ranching started his life-long community and political service to Montana. Bill served as two-term president and board member of the Montana Stockgrowers Association and volunteered on many boards of directors including the Roscoe School Board, Rocky Mountain College, and Carbon County Memorial Hospital Board. He was a former board member of the National Cowboy Hall of Fame.

During his terms as both a Montana Representative, 1951 to 1953, and Senator, 1953 to 1972, Bill was a member of the Commission on the Reorganization of State Government and the Legislative Audit Committee.

Make no mistake about it; Bill Mackay, Sr. was a Republican. A partisan he was not. In the days before reapportionment, he was the Senator from Carbon County. He was a member, and former chairman, of the Legislative Council and a Republican National Committeeman as well as State Chairman of the Republican Party.

William Raynor Mackay, Sr. loved music and the arts. He was a versatile and accomplished pianist who performed both classical and Dixieland Jazz, his greatest love. He played often at the Lazy E-L or a community party surrounded by family and friends.

Bill Mackay, Sr. was an honored trustee of the Montana Historical Society. His parents, Joyce and Malcolm Mackay, amassed the Mackay Collection of C. M. Russell art which comprises the bulk of the Montana Historical Society's permanent collection. Bill and his brother, Bud, continued the preservation of Russell's prominence in Montana. Bill's wife, Joyce, is a renowned artist in her own right, continuing the family tradition of devotion to the arts.

He is remembered by the Montana Historical Society as a thoughtful, devoted patron of the arts. He supported the Billings Symphony and the Red Lodge Music Festival.

Bill Mackay, Sr. and his ranch were one and the same. He was a cowboy's cowboy as well as a Senator's Senator and his fierce devotion to the clean air, sparkling waters and unparalleled vistas of the E-L on the flanks of the Beartooth Mountains are noteworthy.

Bill Mackay, Sr. embodied the finest traditions of the Senate. A true gentleman and a gentle man, his word was his bond. His membership in the Early Times Club was probably more related to serious senatorial socializing than a passing, simple academic interest in pioneers.

HOUSE JOURNAL  
EIGHTIETH LEGISLATIVE DAY - APRIL 9, 2001

One of the last times I was on the E-L for fall cattle gathering, I was staying in one of the cabins on the ranch and noticed a familiar C. M. Russell brand on the mantel of the fireplace. When I asked if that was the Charlie Russell, Bill said, "Why, yes." Charlie had stayed in the cabin when he came to the E-L.

The past was as alive to him as that day's work on horseback. That's why he and his family's deep commitment to Montana, its history and its arts, was as natural to him as riding a good saddle horse. Think of the value we now enjoy as a result of that commitment. And celebrate his many contributions to our state and the Montana Senate.

HOUSE JOURNAL  
EIGHTIETH LEGISLATIVE DAY - APRIL 9, 2001

He graduated from Concordia College in 1936 and although it had been his intent to pursue a teaching career, he decided instead to hone his business skills and work for Commercial Credit.

At the onset of WWII, Norm joined the Navy Officers Training Program and served on an amphibious assault boat in the South Pacific theater.

Following the war, he and his college friend, Sterling Rygg, began searching for a car dealership and soon purchased the Ford Agency, Glacier Motors, in Whitefish. Later, in 1954, Norm purchased Lundgren Ford in Bozeman which his son David bought in 1986. Norm was nationally recognized by Time Magazine as the recipient of their Dealer Award in 1973; the best in Montana.

He registered for the legislative race ten minutes before deadline at the urging of fellow Republicans and served seven terms in the Montana House of Representatives as a member of the Local Government and Business and Industry committees. He consistently supported Montana State University and funding for higher education.

He was a member of the 1988 National Republican Platform Committee in New Orleans.

Norm is remembered for his honesty, integrity, and loyalty in all endeavors. He and Clarice are the parents of David and Eileen. He thoroughly enjoyed his grandchildren giving them a special place of prominence at all times.

Norm was an active and faithful member and Sunday School Superintendent of Hope Lutheran Church in Bozeman. He was a loyal Kiwanian, Red Cross board member and avid spectator sports fan.

HOUSE JOURNAL  
EIGHTY-THIRD LEGISLATIVE DAY - APRIL 12, 2001

**MESSAGES FROM THE GOVERNOR**

April 11, 2001

The Honorable Dan McGee  
Speaker of the House  
State Capitol  
Helena, MT 59620

The Honorable Tom Beck  
President of the Senate  
State Capitol  
Helena, MT 59620

Dear Speaker McGee and President Beck:

In accordance with the powers vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments House Bill 348, **"AN ACT REVISING THE LAWS GOVERNING STATE AGENCY LIQUOR STORES; INCREASING COMMISSION RATES FOR STATE AGENCY LIQUOR STORES BASED UPON THE ANNUAL SALES VOLUMES OF STORES; PROVIDING FOR RENEWALS AT TERMINATION OF THE 10-YEAR PERIOD OF FRANCHISE AGREEMENTS; ~~CHANGING THE POPULATION LEVELS AND PROXIMITY TO OTHER STATE AGENCY LIQUOR STORES FOR ESTABLISHING NEW STATE AGENCY LIQUOR STORES;~~ AMENDING SECTIONS SECTION 16-2-101 AND 16-2-109, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE,"** for the following reasons.

I have no objection to the substantive intent of HB 348, but do have objections to its long-term fiscal impact to the general fund. I recommend that the commission rates contained in the bill be reduced to effect a 50% reduction in the long-term impact to general fund revenues. I have attached my amendments to that effect.

As you know, HB 348 increases the commission rates for liquor stores based on annual sales volume. Under the percentages currently contained in the bill, it will have a \$288,608 impact on the general fund in fiscal year 2003. In the next biennium, however, that fiscal impact will increase to \$956,557 in fiscal year 2004 and \$1,542,336 in fiscal year 2005. That \$1.5 million dollar impact will then carry forward into future biennia.

I do not believe that an ongoing fiscal impact of that magnitude is appropriate in light of our current and projected fiscal status. I recommend, therefore, that the bill be amended to reduce the effect on the general fund for future biennia by 50%. That will leave a general fund impact of approximately \$478,000 for fiscal year 2004 and approximately \$772,000 for fiscal year 2005 and thereafter. My recommended amendments do not affect the \$288,608 impact to the general fund for fiscal year 2003.

Representative Shockley, the sponsor of the bill, has been advised of my recommendations.

Sincerely,

**"20-9-502. Purpose and authorization of a building reserve fund by an election -- levy for school transition costs.** (1) The trustees of any district, with the approval of the qualified electors of the district, may establish a building reserve for the purpose of raising money for the future construction, equipping, or enlarging of school buildings, ~~or~~ for the purpose of purchasing land needed for school purposes in the district, ~~or for the purpose of funding school transition costs as provided in subsection (5).~~ In order to submit to the qualified electors of the district a building reserve proposition for the establishment of or addition to a building reserve, the trustees shall pass a resolution that specifies:

(a) the purpose or purposes for which the new or addition to the building reserve will be used;  
(b) the duration of time over which the new or addition to the building reserve will be raised in annual, equal installments;

(c) the total amount of money that will be raised during the duration of time specified in subsection (1)(b); and

(d) any other requirements under 20-20-201 for the calling of an election.

(2) The total amount of building reserve, ~~less the amount provided for in subsection (5),~~ when added to the outstanding indebtedness of the district may not be more than the limitations provided in 20-9-406. ~~★ Except as provided in subsection (5)(b),~~ a building reserve tax authorization may not be for more than 20 years.

(3) The election must be conducted in accordance with the school election laws of this title, and the electors qualified to vote in the election must be qualified under the provisions of 20-20-301. The ballot for a building reserve proposition must be substantially in the following form:

OFFICIAL BALLOT

SCHOOL DISTRICT BUILDING RESERVE ELECTION

INSTRUCTIONS TO VOTERS: Make an X or similar mark in the vacant square before the words "BUILDING RESERVE--YES" if you wish to vote for the establishment of a building reserve (addition to the building reserve); if you are opposed to the establishment of a building reserve (addition to the building reserve) make an X or similar mark in the square before the words "BUILDING RESERVE--NO".

Shall the trustees be authorized to impose an additional levy each year for .... years to establish a building reserve (add to the building reserve) of this school district to raise a total amount of .... dollars (\$....), for the purpose(s) .... (here state the purpose or purposes for which the building reserve will be used)?

☐ BUILDING RESERVE--YES.

☐ BUILDING RESERVE--NO.

(4) The building reserve proposition is approved if a majority of those electors voting at the election approve the establishment of or addition to the building reserve. The annual budgeting and taxation authority of the trustees for a building reserve is computed by dividing the total authorized amount by the specified number of years. The authority of the trustees to budget and impose the taxation for the annual amount to be raised for the building reserve lapses when, at a later time, a bond issue is approved by the qualified electors of the district for the same purpose or purposes for which the building reserve fund of the district was established. Whenever a subsequent bond issue is made for the same purpose or purposes of a building reserve, the money in the building reserve must be used for such purpose or purposes before any money realized by the bond issue is used.

(5)(a) The trustees may submit a proposition to the qualified electors of the district for a levy to provide funding for transition costs incurred when the trustees:

HOUSE JOURNAL  
EIGHTY-THIRD LEGISLATIVE DAY - APRIL 12, 2001

(i) open a new school under the provisions of Title 20, chapter 6;  
(ii) close a school;  
(iii) replace a school building; or  
(iv) consolidate with or annex another district under the provisions of Title 20, chapter 6.  
(b) Except as provided in subsection (5)(c), the total amount the trustees may submit to the electorate for transition costs may not exceed the number of years specified in the proposition times the greater of 5% of the district's maximum general fund budget for the current year or \$250 per ANB for the current year. The duration of the levy for transition costs may not exceed 6 years.  
(c) If the levy for transition costs is for consolidation or annexation:  
(i) the limitation on the amount levied is calculated using the ANB and the maximum general fund budget for the districts that are being combined; and  
(ii) the proposition must be submitted to the qualified electors in the combined district.  
(d) The levy for transition costs may not be considered as outstanding indebtedness for the purpose of calculating the limitation in 20-9-406."

The Honorable Tom Beck  
President of the Senate  
State Capitol  
Helena, MT 59620

Dear Speaker McGee and President Beck:

In accordance with the powers vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments House Bill 456, "**AN ACT PROVIDING ELIGIBILITY FOR MEDICAID FOR INDIVIDUALS WHO HAVE PARTICIPATED IN THE MONTANA BREAST AND CERVICAL HEALTH PROGRAM AND WHO REQUIRE TREATMENT FOR BREAST OR CERVICAL CANCER, OR BOTH; PROVIDING AN APPROPRIATION FROM THE GENERAL FUND AND REQUIRING THE DEPARTMENT OF PUBLIC HEALTH AND HUMAN SERVICES TO INCLUDE FUNDING FOR THE 2005 BIENNIUM EXECUTIVE BUDGET REQUEST FROM THE INCOME ON THE TOBACCO SETTLEMENT TRUST FUND; AMENDING SECTION 53-6-131, MCA; AND PROVIDING AN EFFECTIVE DATE,**" for the following reasons.

I have no objection to the substantive provisions and intent of HB 456. I do, however, object to that portion of the bill "requiring" the Department of Public Health and Human Services to include funding for the program in its executive budget request for the 2005 biennium from the income generated by the tobacco settlement trust fund. I would recommend that Section 2 of the bill be amended to reflect instead a request that the Department consider the inclusion of the program in its 2005 biennium executive budget request. I have attached my amendments to that effect.

Section 2 of HB 456 appropriates approximately \$387,000 from the general fund over the next biennium for purposes of Medicaid match for the treatment of breast and cervical cancer as contemplated by Section 1 of the bill. I have no objection to that portion of the legislation. I do, however, object to that portion of Section 2 that ostensibly mandates specific actions on the part of the executive branch during the executive budget process for the next biennium.

Article VI, Section 9 of the Montana Constitution provides that "[t]he governor shall submit to the legislature at a time fixed by law, a budget for the ensuing fiscal period setting forth in detail for all operating funds the proposed

HOUSE JOURNAL  
EIGHTY-FIFTH LEGISLATIVE DAY - APRIL 16, 2001

expenditures and estimated revenue of the state." Under the Constitution, the executive branch is vested with the power and authority to prepare and submit a proposed budget to the legislative branch. Likewise, Article III, Section 1 prohibits the exercise of powers properly belonging to one branch by either of the remaining branches.

In light of our constitutional structure, I believe that the language in Section 2 providing an express directive to the executive branch to include funding for a specific program from a specific source constitutes an infringement by the legislative branch on powers specifically reserved to the executive branch. The authority to establish and submit a proposed budget is vested in the executive branch. The legislative branch, in turn, has full authority to modify that proposed budget as it sees fit through the legislative process, subject only to executive branch veto powers. The legislative branch does not, however, have authority to specifically direct the executive branch as to how it prepares the executive budget proposal.

I am therefore recommending an amendment that would change the current "directive" structure of the language in Section 2 to a "request" by the legislative branch that the executive branch consider this program, as funded by income from the tobacco settlement trust, for inclusion in its budget proposal to the 2003 Legislature. I have no objections to the legislative branch expressing its desire that the program be included in the next executive budget proposal by making a request to that effect in HB 456.

My objections to the current structure of Section 2 should in no way be construed as a lack of support for the program contemplated by HB 456 or as any indication of a lack of present intention to include it in my proposed budget to the 2003 Legislature. I believe that the program is one of great merit and I would certainly hope that it will be proposed for continuation as a part of my next budget. I firmly believe, however, that any decisions as to the program's inclusion in my next budget proposal or the potential funding sources for the program are constitutionally placed in the discretion of the executive branch. My objections in this case are based solely on my desire to respect the integrity of our multi-branch form of government and to maintain the clear lines of authority drawn between our respective branches.

Representative Gutsche, the sponsor of the bill, has been advised of my recommendations.

Sincerely,

JUDY MARTZ  
Governor

The Honorable Tom Beck

Dear Speaker McGee and President Beck:

In accordance with the powers vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments House Bill 609, **"AN ACT ALLOWING THE AGRICULTURAL LANDS ADVISORY COMMITTEE MORE DISCRETION IN DETERMINING THE UNDERLYING BASIS FOR ITS RECOMMENDATIONS FOR AGRICULTURAL PRODUCTIVE LAND VALUES FOR PROPERTY TAX PURPOSES; AND AMENDING SECTION 15-7-201, MCA"** for the following reasons.

I am in full agreement with the objectives of HB 609 and with its specific measures. I recommend, however, that the bill be amended to replace the maximum allowable water costs for irrigated land, albeit at a higher level than current law. I have enclosed my recommended amendment to that effect.

As you know, agricultural costs are deducted from gross income in valuing irrigated land for tax purposes. The reduction for water costs allows the irrigated land sector to receive assessment reductions that other agricultural sectors (i.e., grazing, hayland, dryland farming) do not receive. Moreover, irrigated land uses alfalfa as the base crop for valuation. Therefore, irrigated land assessments do not necessarily provide an accurate reflection of high income grossing crops such as irrigated beets and potatoes. These crops can incur higher water costs than irrigated alfalfa (the base crop) and still produce a positive net income.

Farmers would not irrigate their land if they could produce greater net income from dryland farming. To assess irrigated land at the same rate as a neighbor's non-irrigated farmland with comparable productivity would be inequitable. Thus, while I am in full agreement that an increase in the amount of allowable water costs is warranted, I do not believe that an entire removal of the limit is appropriate. Such a removal could potentially lead to the situation referenced above where irrigated land values would be lower than non-irrigated land with comparable productivity. Accordingly, I recommend that the limit on allowable water costs be reinstated in the law, albeit at \$40 instead of the current \$35.

Representative Story, the sponsor of the bill, is aware of and agrees with my recommendation.

Sincerely,

The Honorable Dan McGee  
Speaker of the House  
State Capitol  
Helena, MT 59620

Dear President Beck and Speaker McGee:

In accordance with the powers vested in me as Governor by the Constitution and the laws of the State of Montana, I

HOUSE JOURNAL  
EIGHTY-SIXTH LEGISLATIVE DAY - APRIL 17, 2001

hereby return with amendments Senate Bill 82, "AN ACT REVISING THE LAWS RELATING TO THE PUBLIC MENTAL HEALTH SYSTEM AND MANAGED CARE; CONSOLIDATING MANAGED HEALTH CARE ENTITY FINANCIAL SOLVENCY PROVISIONS UNDER THE DEPARTMENT OF PUBLIC HEALTH AND HUMAN SERVICES; REDEFINING "MANAGED CARE COMMUNITY NETWORK"; REORGANIZING CERTAIN MENTAL HEALTH MANAGED CARE LAWS AND PUBLIC MENTAL HEALTH SYSTEM LAWS; PROVIDING A REQUIREMENT FOR A SYSTEM OF TRACKING CHILDREN WHO NEED MENTAL HEALTH SERVICES; REORGANIZING ELIGIBILITY FOR PUBLIC MENTAL HEALTH SERVICES; AMENDING sections 33-31-115, 53-6-116, 53-6-131, 53-6-701, 53-6-702, 53-6-703, 53-21-701 and 53-21-702, MCA; AND REPEALING SECTION 53-21-704, MCA," for the following reasons.

I have no concerns with the objectives of SB 82, nor with its specific measures. I recommend, however, that two of the sections relating to eligibility be modified from 150% to 160% of the federal poverty threshold to coordinate with my intentions with respect to eligibility for the CHIP program. I have enclosed my amendment to that effect.

As you know, SB 82 originally proposed a maximum eligibility threshold of 200%, which was subsequently amended to 150%. It is my intention, however, to seek additional funding in HB 2 for an adjustment of the CHIP eligibility measure from 150% to 160% of the poverty threshold. Accordingly, my proposed amendment to SB 82 is simply intended to coordinate that gesture with the eligibility requirements for managed and public mental health care. To the extent that the eligibility requirements must ultimately be established by the department to correspond with available funding, any adjustment of the eligibility "ceiling" by 10% will have no effect unless additional funding is secured in HB 2. If that additional funding is not secured, the department will still have to establish eligibility at or below 150% to conform to the funding level.

Accordingly, my recommendation is intended to simply provide the flexibility to address the possible increase in the CHIP eligibility standard. Senator Keenan, the sponsor of the bill, has been advised of my recommendation and has no objections.

Sincerely,

JUDY MARTZ  
Governor

HOUSE JOURNAL  
EIGHTY-SIXTH LEGISLATIVE DAY - APRIL 17, 2001

The Honorable Dan McGee  
Speaker of the House  
State Capitol  
Helena, MT 59620

Dear President Beck and Speaker McGee:

In accordance with the powers vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments Senate Bill 274, **"AN ACT REQUIRING AN INSURANCE INSTITUTION, ~~INSURANCE PRODUCER~~, OR INSURANCE-SUPPORT ORGANIZATION TO DISCLOSE SPECIFIC UNDERWRITING INFORMATION TO CERTAIN ENTITIES THAT HAVE OBTAINED OR THAT ADMINISTER GROUP HEALTH PLANS PROVIDED BY THEM; ~~AND~~ PROVIDING THAT THE INFORMATION DISCLOSED MAY NOT INCLUDE ANY PERSONAL INFORMATION PERTAINING TO AN INDIVIDUAL COVERED BY AN ENTITY'S GROUP PLAN; AND PROVIDING THAT THE INFORMATION MAY BE REQUESTED ONCE PER YEAR,"** for the following reasons.

I have no concerns with the objectives of SB 274, or with its specific measures. I have, however, been asked by its sponsor, Senator Bob Keenan, to recommend an amendment to the bill that will conform it to what he understood was the intention of an amendment made to the bill in the House. I have enclosed my amendment to that effect.

As you know, SB 274 requires insurance institutions and insurance-support organizations to provide certain underwriting information to entities (i.e., associations sponsoring group health programs for members, self-insured groups, MEWA's, etc.) that secure coverage from the institutions/support-organizations. Senator Keenan has advised me that, when he agreed to the insertion of the language currently found in Section 1, ¶ 4 of the bill, he was under the impression that it would simply be added to the existing language in that provision. It was instead substituted for the existing language. Accordingly, I am recommending an amendment that will insert the original ¶ 4 language, with slight modification (substitution of the word "reasonable" for "enough"), as a new ¶ 5 in Section 1.

As noted above, the sponsor of this bill, Senator Keenan, has requested this amendatory recommendation. He has reviewed my proposal and agrees that it should be adopted by the Legislature.

Sincerely,

JUDY MARTZ  
Governor

HOUSE JOURNAL  
EIGHTY-SIXTH LEGISLATIVE DAY - APRIL 17, 2001

Helena, MT 59620

The Honorable Dan McGee  
Speaker of the House  
State Capitol  
Helena, MT 59620

Dear President Beck and Speaker McGee:

In accordance with the powers vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments Senate Bill 338, **"AN ACT REVISING THE ELIGIBILITY CAP FOR THE STATE CHILDREN'S HEALTH INSURANCE PROGRAM TO 150 PERCENT OF THE FEDERAL POVERTY LEVEL; PROVIDING THE DEPARTMENT OF PUBLIC HEALTH AND HUMAN SERVICES WITH THE ABILITY TO LIMIT THE AMOUNT, SCOPE, OR DURATION OF SERVICES; ALLOWING THE DEPARTMENT TO MAKE DIRECT PAYMENTS TO HEALTH CARE PROVIDERS AND CONTRACT ON A FEE-FOR-SERVICES BASIS; AMENDING SECTIONS 53-4-1002, 53-4-1004, 53-4-1005, 53-4-1007, AND 53-4-1009, MCA; AND PROVIDING AN EFFECTIVE DATE,"** for the following reasons.

I have no concerns with the objectives of SB 338, nor with its specific measures. I recommend, however, that the eligibility figure be modified from 150% to 160% of the federal poverty threshold to coordinate with my intentions with respect to securing additional funding for the CHIP program. I have enclosed my amendment to that effect.

As you know, SB 338 originally proposed a maximum eligibility threshold for the CHIP program of 200%, which was subsequently amended to 150%. It is my intention, however, to seek additional funding in HB 2 for an adjustment of the CHIP eligibility measure from 150% to 160% of the poverty threshold. Accordingly, my proposed amendment to SB 338 is simply intended to coordinate the eligibility requirements in the statutory provisions specifically dealing with CHIP. To the extent that the eligibility requirements must ultimately be established by the department to correspond with available funding, any adjustment of the eligibility "ceiling" by 10% will have no effect unless additional funding is secured in HB 2. If that additional funding is not secured, the department will still have to establish eligibility at or below 150% to conform to the funding level.

Accordingly, my recommendation is intended to simply provide the flexibility to address the possible increase in the CHIP eligibility standard. Senator Berry, the sponsor of the bill, has been advised of my recommendation and has no objections.

Sincerely,

JUDY MARTZ  
Governor

The Honorable Dan McGee  
Speaker of the House  
State Capitol  
Helena, MT 59620

Dear President Beck and Speaker McGee:

In accordance with the powers vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments Senate Bill 494, **"AN ACT REVISING THE LAWS RELATED TO THE RETAIL TELECOMMUNICATIONS EXCISE TAX TO MAKE IT REVENUE-NEUTRAL AS COMPARED TO THE**

HOUSE JOURNAL  
EIGHTY-SEVENTH LEGISLATIVE DAY - APRIL 18, 2001

**TELEPHONE LICENSE TAX AND PROPERTY TAX PROVISIONS THAT IT SUPPLANTED; etc.,"** for the following reasons.

I am in full agreement with the objectives of Senate Bill 494 and with its specific measures. However, it is my understanding that a tax on mobile phone roaming charges will be enacted with the passage of this bill and that such charges are not specifically taxed under current law. As you know, I am firmly against increasing taxes. Accordingly, I recommend that the bill be amended to remove those provisions imposing a tax on roaming charges that are not specifically taxed under current law. I have attached my amendment to that effect.

Senator Cobb, the sponsor of the bill, is aware of and does not oppose my recommendation.

Sincerely,

JUDY MARTZ  
Governor

**"17-1-505. Review of dedicated revenue provisions.** ~~(1) Each interim, the legislative finance committee shall review dedicated revenue provisions based upon procedures established under subsection (4) and the principles of revenue dedication set forth in 17-1-507 to ensure that legislative policy is clearly stated:~~

~~(2)(1)~~ The legislature recognizes that dedicated revenue provisions are subject to review by:

(a) the office of budget and program planning in the development and implementation of the executive budget and analysis of legislation;

(b) the legislative fiscal division in analyzing the executive budget;

(c) the legislative services division in drafting legislation;

(d) the legislative auditor in auditing agencies; and

(e) the department of administration in performing the functions provided for in 17-2-106 and 17-2-111.

~~(3)(2)~~ To avoid unnecessary use of dedicated revenue provisions, the entities listed in subsection ~~(2)~~ (1) shall, in the course of current duties, consider the principles in 17-1-507 and the criteria listed in this subsection for each new or existing dedicated revenue provision. A dedicated revenue provision should not give a program or activity an unfair advantage for funding. The expenditures from a dedicated revenue provision must be based on requirements for meeting a legislatively established outcome. Statutorily mandated programs or activities funded through dedicated revenue provisions from general revenue sources must be reviewed to the same extent as programs or activities funded from the general fund. The use of a dedicated revenue provision may be justified if it satisfies one or more of the following:

(a) The program or activity funded provides direct benefits for those who pay the dedicated tax, fee, or assessment, and the tax, fee, or assessment is commensurate with the costs of the program or activity.

(b) The use of the dedicated revenue provision provides special information or other advantages that could not be obtained if the revenue were allocated to the general fund.

(c) The dedicated revenue provision provides program funding at a level equivalent to the expenditures established by the legislature.

(d) The dedicated revenue provision involves collection and allocation formulas that are appropriate to the present circumstances and current priorities in state government.

(e) The dedicated revenue provision does not impair the legislature's ability to scrutinize budgets, control expenditures, and establish priorities for state spending.

(f) The dedicated revenue provision results in an appropriate projected ending fund balance.

(g) The dedicated revenue provision fulfills a continuing, legislatively recognized need.

(h) The dedicated revenue provision does not result in accounting or auditing inefficiency.

~~(4) The committee shall establish procedures to facilitate a biennial review and evaluation of dedicated revenue provisions.~~

~~(5) Upon completion of the review, the committee shall report a summary of its findings to the legislature, including its recommendation of termination or extension, with or without modification, of the dedicated revenue provision."~~

**Insert:** "**Section 2.** Section 17-1-508, MCA, is amended to read:

**"17-1-508. Review of statutory appropriations.** ~~(1) Each interim, the legislative finance committee shall, based upon procedures established pursuant to subsection (5), review statutory appropriations that are contained in the sections listed in 17-7-502 to eliminate those that no longer fulfill a legislative need and to ensure that legislative policy is clearly stated concerning the use of statutory appropriations:~~

HOUSE JOURNAL  
EIGHTY-EIGHTH LEGISLATIVE DAY - APRIL 19, 2001

~~(2)~~(1) Each biennium, the office of budget and program planning shall, in development of the executive budget, review and identify instances in which statutory appropriations in current law do not appear consistent with the guidelines set forth in subsection ~~(3)~~ (2).

~~(3)~~(2) The review of statutory appropriations must determine whether a statutory appropriation meets the requirements of 17-7-502. A statutory appropriation from a continuing and reliable source of revenue may not be used to fund administrative costs. In reviewing and establishing statutory appropriations, the legislature shall consider the following guidelines. A statutory appropriation may be considered appropriate if:

- (a) the fund or use requires an appropriation;
- (b) the money is not from a continuing, reliable, and estimable source;
- (c) the use of the appropriation or the expenditure occurrence is not predictable and reliable;
- (d) the authority does not exist elsewhere;
- (e) an alternative appropriation method is not available, practical, or effective;
- (f) other than for emergency purposes, it does not appropriate money from the state general fund;
- (g) the money is dedicated for a specific use;
- (h) the legislature wishes the activity to be funded on a continual basis; and
- (i) when feasible, an expenditure cap and sunset date are included.

~~(4)~~(3) The office of budget and program planning shall prepare a fiscal note for each piece of legislation that proposes to create or amend a statutory appropriation. It shall, consistent with the guidelines in this section, review each of these pieces of legislation. Its findings concerning the statutory appropriation must be contained in the fiscal note accompanying that legislation.

~~(5) The legislative finance committee shall establish procedures to facilitate a biennial review and evaluation of statutory appropriations. Upon completion of the review, the committee shall report a summary of its findings to the legislature, including a recommendation for terminating, extending, or modifying the statutory appropriations reviewed."~~

The growth factor in the entitlement share must be calculated separately for:

(A) counties;

(B) consolidated local governments; and

(C) incorporated cities and towns.

(v) In each fiscal year, the amount of the entitlement share pool not represented by the growth amount is distributed to each local government in the same manner as the entitlement share pool was distributed in the prior fiscal year.

(6) (a) If a tax increment financing district was not in existence during the fiscal year ending June 30, 2000, then the tax increment financing district is not entitled to any block grant. If a tax increment financing district referred to in subsection (6)(b) terminates, then the block grant provided for in subsection (6)(b) terminates.

**"20-10-144. Computation of revenue and net tax levy requirements for district transportation fund budget.** Before the second Monday of August, the county superintendent shall compute the revenue available to finance the transportation fund budget of each district. The county superintendent shall compute the revenue for each district on the following basis:

(1) The "schedule amount" of the budget expenditures that is derived from the rate schedules in 20-10-141 and 20-10-142 must be determined by adding the following amounts:

(a) the sum of the maximum reimbursable expenditures for all approved school bus routes maintained by the district (to determine the maximum reimbursable expenditure, multiply the applicable rate for each bus mile by the total number of miles to be traveled during the ensuing school fiscal year on each bus route approved by the county transportation committee and maintained by the district); plus

(b) the total of all individual transportation per diem reimbursement rates for the district as determined from the contracts submitted by the district multiplied by the number of pupil-instruction days scheduled for the ensuing school attendance year; plus

(c) any estimated costs for supervised home study or supervised correspondence study for the ensuing school fiscal year; plus

(d) the amount budgeted in the budget for the contingency amount permitted in 20-10-143, except if the amount exceeds 10% of the total of subsections (1)(a), (1)(b), and (1)(c) or \$100, whichever is larger, the contingency amount on the budget must be reduced to the limitation amount and used in this determination of the schedule amount; plus

(e) any estimated costs for transporting a child out of district when the child has mandatory approval to attend school in a district outside the district of residence.

(2) (a) The schedule amount determined in subsection (1) or the total transportation fund budget, whichever is smaller, is divided by 2 and is used to determine the available state and county revenue to be budgeted on the following basis:

(i) one-half is the budgeted state transportation reimbursement, except that the state transportation reimbursement for the transportation of special education pupils under the provisions of 20-7-442 must be 50% of the schedule amount attributed to the transportation of special education pupils; and

(ii) one-half is the budgeted county transportation fund reimbursement and must be financed in the manner provided in 20-10-146.

(b) When the district has a sufficient amount of fund balance for reappropriation and other sources of district revenue, as determined in subsection (3), to reduce the total district obligation for financing to zero, any remaining amount of district revenue and fund balance reappropriated must be used to reduce the county financing obligation in subsection (2)(a)(ii) and, if the county financing obligations are reduced to zero, to reduce the state financial obligation in subsection (2)(a)(i).

(c) The county revenue requirement for a joint district, after the application of any district money under subsection (2)(b), must be prorated to each county incorporated by the joint district in the same proportion as the ANB of the joint district is distributed by pupil residence in each county.

(3) The total of the money available for the reduction of property tax on the district for the transportation fund must be determined by totaling:

(a) anticipated federal money received under the provisions of 20 U.S.C. 7701, et seq., or other anticipated federal money received in lieu of that federal act;

(b) anticipated payments from other districts for providing school bus transportation services for the district;

(3) The application is to be accompanied by documentation of ownership, such as an invoice, a bill of sale, a foreign title, an official certificate of boat number, a fee in lieu of tax receipt, or a certificate of ownership of a trailer purchased with the motorboat or sailboat. An applicant who fails to provide proof of ownership shall provide a certified statement describing how the motorboat or sailboat 12 feet in length or longer was acquired, from whom acquired, if known, and other information requested by the department of justice.

(4) If a certificate of ownership has previously been issued under the provisions of this part, the application for a new certificate must be accompanied by the immediately previous certificate. This subsection does not apply to motorboats or sailboats 12 feet in length or longer that are purchased as new and unused vessels or that were operated when the provisions of this part were not in force and effect.

(5) A motorboat or sailboat 12 feet in length or longer that does not have a manufacturer's or other identifying number on the motorboat or sailboat must be assigned an identification number by the department of fish, wildlife, and parks. A fee of \$1 must be paid to the department for an assignment of number.

A copy of the security agreement is sufficient as a lien notice if it contains the name and address of the debtor and the secured party, the complete boat description, the amount of the lien, and the signature of the debtor. The department of justice shall file voluntary security interests and liens by entering the name and address of the secured party upon the face of the certificate of ownership. The dealer shall keep a copy of the sticker for ~~his~~ the dealer's records and shall send a copy of the sticker to the department of justice.

(5) A purchaser of a new or used motorboat or sailboat who is unable to record a transfer of ownership with the county treasurer at the time ~~he makes~~ of making an application for registration of the motorboat or sailboat because the certificate of ownership is lost, in the possession of third parties, or in the process of reissuance in this state or elsewhere may, upon making affidavit to that effect upon a form prescribed by the department of justice and upon the payment of the applicable fee in lieu of tax plus a fee of \$2 to be collected by the county treasurer and remitted to the department of justice for deposit in the general fund, obtain from the county treasurer of the county in which the boat is to be registered a temporary boat sticker of a size, color, and design as the department of justice may prescribe, to be validated by the county treasurer for a period of 60 days from the date of issuance. The purchaser, upon displaying the sticker conspicuously on the motorboat or sailboat, may operate the motorboat or sailboat during the period for which the boat sticker has been validated without displaying the numbers and license decal for the current year. The county treasurer may not sell, and a person may not purchase, more than one 60-day temporary boat sticker for any motorboat or sailboat, the ownership of which has not changed since the issuance of the previous 60-day boat sticker.

(6) The provisions of subsection (2) do not apply in the event of the transfer of a motorboat or sailboat 12 feet in length or longer to a  ~~duly~~ licensed dealer intending to resell the motorboat or sailboat and who operates it only for demonstration purposes, but ~~every a~~ dealer, upon transferring ~~his~~ the dealer's interest, shall deliver the certificate of ownership with an application for a new certificate executed by the new owner in accordance with the provisions of this part. The department of justice, upon receipt of the certificate of ownership and application for a new certificate containing notice of a security interest, if any, shall issue a new certificate of ownership, together with a statement of any conditional sales contract, mortgage, or other lien.

(7) When the names and addresses of more than one owner who are members of the same immediate family are listed on the certificate of ownership, joint ownership with right of survivorship, and not as tenants in common, is presumed.

(8) The provisions of 61-3-201(3) through (7) that apply to motor vehicles also apply to any certificate of ownership transferred under this section.""

(2) The applicant, upon the filing of the application, shall pay to the county treasurer the fee in lieu of tax

required for a motorboat 10 feet in length or longer, a sailboat 12 feet in length or longer, or a personal watercraft for the current year of certification before the application for certification or recertification may be accepted by the county treasurer.

(3) Should the ownership of a motorboat, sailboat, or personal watercraft change, a new application form with the certification fee must be filed within a reasonable time with the county treasurer and a new certificate of number assigned in the same manner as provided for in an original assignment of number.

(4) If an agency of the United States government has in force a comprehensive system of identification numbering for motorboats in the United States, the numbering system employed pursuant to this part by the department of justice must be in conformity.

(5) Every certificate of number and the license decals assigned under this part continues in effect for a period not to exceed 1 year unless terminated or discontinued in accordance with the provisions of this part. Certificates of number and license decals must show the date of expiration and may be renewed by the owner in the same manner provided for in the initial securing of the certificate.

(6) Certificates of number expire on December 31 of each year and may not be in effect unless renewed under this part.

(7) In the event of a transfer of ownership, the purchaser shall furnish the county treasurer notice within a reasonable time of the acquisition of all or any part of the purchaser's interest, other than the creation of a security interest, in a motorboat, sailboat, or personal watercraft numbered in this state or of the loss, theft, destruction, or abandonment of the motorboat, sailboat, or personal watercraft. The transfer, loss, theft, destruction, or abandonment terminates the certificate of number for the motorboat, sailboat, or personal watercraft. Recovery from theft or transfer of a part interest that does not affect the owner's right to operate the motorboat, sailboat, or personal watercraft does not terminate the certificate of number.

(8) A holder of a certificate of number shall notify the county treasurer within reasonable time if the holder's address no longer conforms to the address appearing on the certificate and shall furnish the county treasurer with the new address. The department of justice may provide by rule for the surrender of the certificate bearing the former address and its replacement with a certificate bearing the new address or the alteration of an outstanding certificate to show the new address of the holder.

(9) (a) The number assigned must be painted on or attached to each outboard side of the forward half of the motorboat, sailboat, or personal watercraft or, if there are no sides, at a corresponding location on both outboard sides of the foredeck of the motorboat, sailboat, or personal watercraft. The number assigned must read from left to right in Arabic numerals and block characters of good proportion at least 3 inches tall excluding border or trim of a color that contrasts with the color of the background and be so maintained as to be clearly visible and legible. The number may not be placed on the obscured underside of the flared bow where it cannot be easily seen from another vessel or ashore. Numerals, letters, or devices other than those used in connection with the identifying number issued may not be placed in the proximity of the identifying number. Numerals, letters, or devices that might interfere with the ready identification of the motorboat, sailboat, or personal watercraft by its identifying number may not be carried in a manner that interferes with the motorboat's, sailboat's, or personal watercraft's identification. A number other than the number and license decal assigned to a motorboat, sailboat, or personal watercraft or granted reciprocity under this part may not be painted, attached, or otherwise displayed on either side of the forward half of the motorboat, sailboat, or personal watercraft.

(b) The certificate of number must be pocket size and available to federal, state, or local law enforcement officers at all reasonable times for inspection on the motorboat, sailboat, or personal watercraft whenever the motorboat, sailboat, or personal watercraft is on waters of this state.

(c) Boat liveries are not required to have the certificate of number on board each motorboat, sailboat, or personal watercraft, but a rental agreement must be carried on board livery motorboats, sailboats, or personal watercraft in place of the certificate of number.

(10) ~~(a) Except as provided in subsection (10)(b), fees~~ Fees, other than the fee in lieu of tax, collected under this section must be transmitted to the state treasurer, who shall deposit the fees in the ~~motorboat or sailboat certificate identification account of the state special revenue~~ general fund. ~~These fees must be used only for the administration~~

A certificate of ownership is not required for a snowmobile purchased prior to April 16, 1993, if use of the snowmobile is restricted to private land.

(2) The owner of a snowmobile shall apply for a certificate of ownership with the county treasurer of the county in which the owner resides, upon forms to be furnished for this purpose. The forms must require the following information:

- (a) the name of the owner;
- (b) the residence of the owner, by town and county;
- (c) the business or home mailing address of the owner;
- (d) the name and address of any lienholder;
- (e) the amount due under any contract or lien;
- (f) the name of the manufacturer;
- (g) the model number or name;
- (h) the identification number; and
- (i) the name and address of the dealer or other person from whom acquired.

HOUSE JOURNAL  
EIGHTY-EIGHTH LEGISLATIVE DAY - APRIL 19, 2001

(3) The application must be accompanied by documentation of ownership, such as an invoice, notarized bill of sale from the immediately previous owner, foreign title, official certificate of snowmobile number, or fee in lieu of tax receipt.

(4) The application must be signed by at least one owner or by a properly authorized officer or representative of the owner.

(5) If a certificate of ownership has previously been issued under the provisions of 23-2-601 through 23-2-644, the application for a new certificate must be accompanied by the immediately previous certificate. This subsection does not apply to snowmobiles that are purchased as new and unused machines or that were operated when the provisions of 23-2-601 through 23-2-644 were not in force and effect.

(6) Upon completion of the application, on forms furnished by the department of justice, the county treasurer shall issue to the applicant two copies of the application, one of which must be marked "file copy". The treasurer shall forward one copy and the original application to the department of justice, which shall enter the information contained in the application upon the corresponding records of its office and shall furnish the applicant with a certificate of ownership, which must contain that information in the application considered necessary by the department of justice, and a permanent ownership number. The certificate of ownership is not to be renewed annually and is valid as long as the person holding it owns the snowmobile.

(7) The owner shall at all times retain possession of the certificate of ownership, except when it is being transmitted to and from the department of justice for endorsement or cancellation.

(8) Upon application for a certificate of ownership, a fee of \$5 must be paid to the county treasurer, ~~\$3.50 of~~ which must be forwarded by the county treasurer to the department of justice and deposited in the general fund.

(9) The department of justice may not file a voluntary security interest or lien unless it is accompanied by or specified in the application for a certificate of ownership of the snowmobile encumbered. If the approved lien notice is transmitted to the department of justice, the security agreement or other lien instrument that creates the security interest must be retained by the secured party. A copy of the security agreement is sufficient as a lien notice if it contains the name and address of the debtor and the secured party, the complete snowmobile description, the amount of the lien, and the signature of the debtor. The department of justice shall file voluntary security interests and liens by entering the name and address of the secured party upon the face of the certificate of ownership. Involuntary liens must be filed against the record of the snowmobile encumbered. The department of justice shall mail a statement certifying the filing of a security interest or lien to the secured party. The department of justice shall mail the certificate of ownership to the owner at the address given on the certificate; however, if the transfer of ownership and filing of the security interest are paid for by a creditor or secured party, the department of justice shall return the certificate of ownership to the county treasurer of the county in which the snowmobile is to be registered. The owner of a snowmobile is the person entitled to operate and possess the snowmobile.

(10) A security interest in a snowmobile held as inventory by a dealer must be perfected in accordance with Title 30, chapter 9.

(11) Whenever a security interest or lien is filed against a snowmobile that is subject to two security interests previously perfected under this section, the department of justice shall endorse on the face of the certificate of ownership: "NOTICE. This snowmobile is subject to additional security interest on file with the Department of Justice". Other information regarding the additional security interests need not be endorsed on the certificate.

(12) Satisfactions or statements of release filed with the department of justice under this part must be retained for a period of 8 years after receipt, after which they may be destroyed.

(13) Except as provided in subsection (14), a voluntary security interest or lien is perfected on the date the lien notice is delivered to the county treasurer. On that date, the county treasurer shall issue to the secured party a receipt evidencing the perfection. Perfection under this section constitutes constructive notice to subsequent purchasers or encumbrancers, from the date of delivery of the lien notice to the county treasurer, of the existence of the security interest.

(14) Voluntary security interests or lien filings that do not require transfer of ownership are perfected on the date the lien notice and the certificate of ownership or manufacturer's statement of origin are received by the department of justice. On that date, the department of justice shall issue to the secured party a receipt evidencing the

perfection. Perfection under this subsection constitutes constructive notice to subsequent purchasers or encumbrancers, from the date the lien notice is delivered to the department of justice, of the existence of the security interest.

(15) Upon default under a chattel mortgage or conditional sales contract covering a snowmobile, the mortgagee or vendor has the same remedies as in the case of other personal property. In case of attachment of a snowmobile, all the provisions of 27-18-413, 27-18-414, and 27-18-804 are applicable, except that deposits must be made with the department of justice.

(16) A conditional sales vendor or chattel mortgagee or assignee who fails to file a satisfaction of a chattel mortgage, assignment, or conditional sales contract within 15 days after receiving final payment is required to pay the department of justice the sum of \$1 for each day that the satisfaction is not filed.

(17) Upon receipt of notice of any involuntary liens or attachments against the record of any snowmobile registered in this state, the department of justice shall within 24 hours mail to the owner, conditional sales vendor, mortgagee, or their assignee a notice showing the name and address of the lien claimant, the amount of the lien, the date of execution of the lien, and, in the case of attachment, the full title of the court, the action, and the name of the attorney for the plaintiff or the name of the attaching creditor, or both.

(18) It is not necessary to refile with the department of justice any instruments on file in the office of the county clerk and recorder on October 1, 1989.

(19) A fee of \$4 must be paid to the department of justice to file any security interest or other lien against a snowmobile. The \$4 fee must cover the cost of filing a satisfaction or release of the security interest and the cost of entering the satisfaction or release on the records of the department of justice and deleting the endorsement of the security interest from the face of the certificate of ownership. A fee of \$4 must be paid to the department of justice for issuing a certified copy of a certificate of ownership subject to a security interest or other lien on file with the department of justice or for filing an assignment of a security interest or other lien on file with the department of justice. All fees provided for in this section must be paid to the county treasurer for deposit in the state general fund in accordance with 15-1-504."

(5) (a) After the owner completes the application form, the county treasurer shall issue to the applicant two copies of the completed application, with one marked "file copy", and shall forward one copy and the original application to the department of justice. The department of justice shall enter the information contained in the application upon the corresponding records of its office and shall send the applicant a certificate of ownership containing a permanent ownership number and information from the application considered necessary by the department of justice.

(b) The certificate of ownership is not required to be renewed annually and is valid as long as the person holding it owns the off-highway vehicle.

(6) The owner shall at all times retain possession of the certificate of ownership, except when it is being transmitted to and from the department of justice for endorsement or cancellation.

(7) Upon application for a certificate of ownership, a fee of \$5 must be paid to the county treasurer, of which:

~~(a) \$3.50 must be forwarded to the department of justice for deposit in the general fund; and~~

~~(b) \$1.50 must be retained by the county treasurer for the cost of administering this section.~~

(8) The department of justice may not file a voluntary security interest or lien unless it is accompanied by or specified in the application for a certificate of ownership of the encumbered off-highway vehicle. If the approved lien notice is transmitted to the department of justice, the security agreement or other lien instrument that creates the security interest must be retained by the secured party. A copy of the security agreement is sufficient as a lien notice if it contains the name and address of the debtor and the secured party, a complete description of the off-highway vehicle, the amount of the lien, and the signature of the debtor. The department of justice shall file voluntary security interests and liens by entering the name and address of the secured party upon the face of the certificate of ownership. Involuntary liens must be filed against the record of the off-highway vehicle encumbered. The department of justice shall mail a statement certifying the filing of a security interest or lien to the secured party. The department of justice shall mail the certificate of ownership to the owner at the address given on the certificate. However, if the transfer of ownership and filing of the security interest are paid for by a creditor or secured party, the department of justice shall return the certificate of ownership to the county treasurer of the county where the vehicle is to be registered. The owner of an off-highway vehicle is the person entitled to operate and possess the vehicle.

(9) A security interest in an off-highway vehicle held as inventory by a dealer must be perfected in accordance with Title 30, chapter 9.

(10) Whenever a security interest or lien is filed against an off-highway vehicle that is subject to two or more security interests previously perfected under this section, the department of justice shall endorse on the face of the certificate of ownership: "Notice. This off-highway vehicle is subject to additional security interests on file with the Department of Justice." Other information regarding the additional security interests need not be endorsed on the certificate.

(11) Satisfaction or statements of release filed with the department of justice under this section must be retained for a period of 8 years from the date of receipt, after which they may be destroyed.

(12) Except as provided in subsection (13), a voluntary security interest or lien is perfected on the date the lien notice is delivered to the county treasurer. On that date, the county treasurer shall issue to the secured party a receipt evidencing the perfection. Perfection under this section constitutes constructive notice to subsequent purchasers or encumbrancers, from the date of delivery of the lien notice to the county treasurer, of the existence of the security interest.

(13) Voluntary security interests or lien filings that do not require transfer of ownership are perfected on the date the lien notice and the certificate of ownership or manufacturer's statement of origin are received by the department of justice. On that date, the department shall issue to the secured party a receipt evidencing the perfection. Perfection under this subsection constitutes constructive notice to subsequent purchasers or encumbrancers, from the date the lien notice is delivered to the department, of the existence of the security interest.

(14) Upon default under a chattel mortgage or conditional sales contract covering an off-highway vehicle, the mortgagee or vendor has the same remedies as in the case of other personal property. In the case of attachment of an off-highway vehicle, the provisions of 27-18-413, 27-18-414, and 27-18-804 are applicable, except that deposits must be made with the department of justice.

HOUSE JOURNAL  
EIGHTY-EIGHTH LEGISLATIVE DAY - APRIL 19, 2001

(15) A conditional sales vendor, chattel mortgagee, or assignee who fails to file a satisfaction of a chattel mortgage, assignment, or conditional sale contract within 15 days after receiving final payment shall pay to the department of justice the sum of \$1 for each day after the expiration of the 15-day period that the person fails to file the satisfaction.

(16) Upon receipt of notice of any involuntary liens or attachments against the record of an off-highway vehicle in this state, the department of justice shall within 24 hours mail to the owner, conditional sales vendor, mortgagee, or their assignee a notice of the lien, showing the date of execution of the lien and, in the case of attachment, the full title of the court, the action, and the name of the attorney for the plaintiff or the name of the attaching creditor, or both.

(17) It is not necessary to refile with the department of justice instruments on file in the offices of the county clerk and recorders at the time this law takes effect.

(18) A fee of \$4 must be paid to the department of justice to file a security interest or other lien against an off-highway vehicle. The \$4 fee includes and covers the cost of filing a satisfaction or release of the security interest and also the cost of entering the satisfaction or release on the records of the department of justice and deleting the endorsement of the security interest from the face of the certificate of ownership. A fee of \$4 must be paid to the department of justice for issuing a certified copy of a certificate of ownership subject to a security interest or other lien on file in the office of the department of justice or for filing an assignment of a security interest or other lien on file with the department of justice. All fees provided for in this section must be paid to the county treasurer for deposit in the state general fund in accordance with 15-1-504."

**"53-2-612. Lien of department or county upon third-party recoveries.** (1) Upon notice by the department, a county, or the recipient to a third party or the third party's insurer as provided in subsection (5)(b), the department or county has a lien upon all money paid by a third party or the third party's insurer in satisfaction of a judgment or settlement arising from a recipient's claim for damages or compensation for personal injury, disease, illness, or disability to the extent that the department or county has paid medical assistance on behalf of the recipient for the same personal injury, disease, illness, or disability.

(2) The department or county may, in the name of the recipient on whose behalf medical assistance has been paid by the department or county, commence and prosecute to final conclusion any action that may be necessary to recover from a third party or the third party's insurer compensation or damages for medical assistance paid by the department or county on behalf of the recipient. This section does not affect the right of the recipient to initiate and prosecute to final conclusion an action for damages or compensation in the recipient's own name in accordance with the provisions of this section.

(3) (a) The lien:

(i) applies to all money paid by a third party or a third party's insurer regardless of whether the recovery is allocated by the parties or a court to any particular type or element of damages; and

(ii) is subordinate to the lien of an attorney under 37-61-420.

(b) Unless specifically provided by law, the recipient's right to recover damages or compensation from a third party or a third party's insurer may not be reduced or denied on the ground that the recipient's costs of medical treatment and medical-related services have been paid by the department or county under any public assistance program.

(c) From the amount collected by the department, county, or recipient from legal proceedings or as a result of settlement, reasonable attorney fees and costs must be first deducted and paid. Unless the department or county and the recipient agree to a different settlement, the amount previously paid as medical assistance by the department or county, less a pro rata share of attorney fees and costs, must be deducted next and paid to the department or county. The remainder, if any, must be paid to the recipient.

(d) In all cases of payment to the department or county out of an amount collected from a third party or insurer on a recipient's claim, the amount of the lien must be reduced by a pro rata share of attorney fees and costs as provided in subsection (3)(c), but the department or county may not be required to participate in payment of attorney fees and costs unless the recipient's claim results in recovery out of which the department or county receives full or partial payment of its lien.

(e) Except as provided in subsections (3)(e)(i) and (3)(e)(ii), the department may not impose a lien under this section upon a self-sufficiency trust established pursuant to Title 53, chapter 18, part 1, or upon the assets of a self-sufficiency trust established pursuant to Title 53, chapter 18, part 1.

(i) The department may impose a lien under this section upon a self-sufficiency trust or upon the assets of a self-sufficiency trust established pursuant to Title 53, chapter 18, part 1, if the department is required by federal law

HOUSE JOURNAL

to recover or collect from the trust or its assets as a condition of receiving federal financial participation for the medicaid program.

(ii) To the extent otherwise permitted by this section, the department is not precluded from asserting a claim or imposing a lien upon real or personal property prior to transfer of the property to the trust. If the department imposes a lien upon property prior to transfer to a self-sufficiency trust, any transfer of the property to the trust is subject to the lien.

(4) (a) A recipient of medical assistance or the recipient's legal representative shall notify the department or county by certified letter within 30 days if the recipient or the recipient's legal representative asserts a claim against a third party or a third party's insurer for damages or compensation for a personal injury, disease, illness, or disability for which the department or county paid medical assistance in whole or in part or for which the recipient has applied for medical assistance. The notice must be mailed to the director of the department or the director of the county department that paid medical assistance. At the same time, a copy must be sent by certified mail to the third party or the third party's insurer.

(b) The notice must contain the following information:

- (i) the name and address of the recipient and the recipient's legal representative, if any;
- (ii) the name and address of the third party alleged to be liable to the recipient;
- (iii) the name and address of any known insurer of the third party; and
- (iv) the judicial district and docket number of any action filed.

(c) A recipient or the recipient's legal representative who has received actual notice that the department or county has paid medical assistance is liable to the department or county for the amount it is entitled to receive under this section if:

(i) the recipient or the recipient's legal representative fails to timely notify the department or county or fails to mail a copy of the notice to the third party or the third party's insurer; and

(ii) a third party or the third party's insurer that did not receive notice from the department or county as provided for in subsection (5)(b) pays the recipient or the recipient's legal representative without satisfying any lien of the department or county.

(5) (a) If a third party or the third party's insurer that has received notice of the department's or county's lien as provided for in subsection (5)(b) makes payment in whole or in part of the recipient's claim without first satisfying the lien of the department or county, the third party or the third party's insurer is liable to the department or county for the amount the department or county is entitled to receive under this section.

(b) For the purposes of subsection (5)(a), a third party or the third party's insurer has been given notice if:

(i) the department or county mails, by certified mail, to the third party or the third party's insurer:

(A) a statement of the medical assistance paid or that may be paid by the department or county on behalf of the recipient; and

(B) a claim for reimbursement;

(ii) the recipient or the recipient's legal representative mails, by certified mail, to the third party or the third party's insurer:

(A) a copy of the notice required by subsection (4)(a); or

(B) a statement stating that the recipient has applied for or has received medical assistance from the department or county in connection with the same claim; or

(iii) the recipient or the recipient's legal representative has commenced an action against the third party or the third party's insurer for damages or compensation for personal injury, disease, illness, or disability for which the department or county has paid or may pay medical assistance, in whole or in part, and the department or county files in the court in which the action is pending a notice of lien stating that a lien is claimed for medical assistance on any money paid in satisfaction of any judgment in or settlement of the action and that:

(A) medical assistance in a stated amount has been paid by the department or county on behalf of the recipient; or

(B) medical assistance may be paid on behalf of the recipient.

**"61-3-332. Number plates.** (1) A motor vehicle that is driven upon the streets or highways of Montana must display both front and rear number plates, bearing the distinctive number assigned to the vehicle. The number plates are in 10 series: one series for owners of motorcars, one for owners of motor vehicles of the motorcycle or quadricycle type, one for trailers, one for trucks, one for dealers in vehicles of the motorcycle or quadricycle type that bears the distinctive letters "MCD" or the letters "MC" and the word "DEALER", one for franchised dealers in new motorcars (including trucks and trailers) or new and used motorcars (including trucks and trailers) that bears the distinctive letter "D" or the word "DEALER", one for dealers in used motorcars only (including used trucks and trailers) that bears the distinctive letters "UD" or the letter "U" and the word "DEALER", one for dealers in trailers and/or semitrailers (new or used) that bears the distinctive letters "DTR" or the letters "TR" and the word "DEALER", one for dealers in recreational vehicles that bears the distinctive letters "RV" or the letter "R" and the word "DEALER", and one for special license plates. All markings for the various kinds of dealers' plates must be placed on the number plates assigned to the dealer, in the position that the department designates.

(2) (a) All number plates for motor vehicles must be issued for a maximum period of 4 years, bear a distinctive marking, and be furnished by the state. In years when number plates are not issued, the department shall provide nonremovable stickers bearing appropriate registration numbers that must be affixed to the license plates in use.

(b) For light vehicles that are permanently registered as provided in 61-3-527 or 61-3-562, the department

HOUSE JOURNAL  
EIGHTY-EIGHTH LEGISLATIVE DAY - APRIL 19, 2001

shall provide distinctive nonremovable stickers indicating that the vehicle is permanently registered. The stickers must be affixed to the license plates in use.

(3) (a) Subject to the provisions of this section, the department shall create a new design for number plates as provided in this section, and it shall manufacture the newly designed number plates for issuance after December 31, 1999, to replace at renewal, as required in 61-3-312 and 61-3-314, number plates that were displayed on motor vehicles before that date.

(b) Beginning January 1, 2000, the department shall manufacture and issue new number plates every 4 years.

(4) In the case of motorcars and trucks, plates must be of metal 6 inches wide and 12 inches in length. The outline of the state of Montana must be used as a distinctive border on the license plates, and the word "Montana" and the year must be placed across the plates. Registration plates must be treated with a reflectorized background material according to specifications prescribed by the department.

(5) The distinctive registration numbers must begin with a number one or with a letter-number combination, such as "A 1" or "AA 1", or any other similar combination of letters and numbers. The distinctive registration number or letter-number combination assigned to the vehicle must appear on the plate preceded by the number of the county and appearing in horizontal order on the same horizontal baseline. The county number must be separated from the distinctive registration number by a separation mark unless a letter-number combination is used. The dimensions of the numerals and letters must be determined by the department, and all county and registration numbers must be of equal height.

(6) For the use of exempt motor vehicles and motor vehicles that are exempt from the registration fee as provided in 61-3-560(2)(a), in addition to the markings provided in this section, number plates must bear the following distinctive markings:

(a) For vehicles owned by the state, the department may designate the prefix number for the various state departments. All numbered plates issued to state departments must bear the words "State Owned", and a year number may not be indicated on the plates because these numbered plates are of a permanent nature and will be replaced by the department only when the physical condition of numbered plates requires it.

(b) For vehicles that are owned by the counties, municipalities, and special districts, as defined in 18-8-202, organized under the laws of Montana and not operating for profit, and that are used and operated by officials and employees in the line of duty and for vehicles on loan from the United States government or the state of Montana to, or owned by, the civil air patrol and used and operated by officials and employees in the line of duty, there must be placed on the number plates assigned, in a position that the department may designate, the letter "X" or the word "EXEMPT". Distinctive registration numbers for plates assigned to motor vehicles of each of the counties in the state and those of the municipalities and special districts that obtain plates within each county must begin with number one and be numbered consecutively. Because these number plates are of a permanent nature, they are subject to replacement by the department only when the physical condition of the number plates requires it and a year number may not be displayed on the number plates.

(7) On all number plates assigned to motor vehicles of the truck and trailer type, other than tax-exempt trucks and tax-exempt trailers, there must appear the letter "T" or the word "TRUCK" on plates assigned to trucks and the letters "TR" or the word "TRAILER" on plates assigned to trailers and housetrailer. The letters "MC" or the word "CYCLE" must appear on plates assigned to vehicles of the motorcycle or quadricycle type.

(8) Number plates issued to a passenger car, truck, trailer, or vehicle of the motorcycle or quadricycle type may be transferred only to a replacement passenger car, truck, trailer, or motorcycle- or quadricycle-type vehicle. A registration or license fee may not be assessed upon a transfer of a number plate under 61-3-317 and 61-3-335.

(9) For the purpose of this chapter, the several counties of the state are assigned numbers as follows: Silver Bow, 1; Cascade, 2; Yellowstone, 3; Missoula, 4; Lewis and Clark, 5; Gallatin, 6; Flathead, 7; Fergus, 8; Powder River, 9; Carbon, 10; Phillips, 11; Hill, 12; Ravalli, 13; Custer, 14; Lake, 15; Dawson, 16; Roosevelt, 17; Beaverhead, 18; Chouteau, 19; Valley, 20; Toole, 21; Big Horn, 22; Musselshell, 23; Blaine, 24; Madison, 25; Pondera, 26; Richland, 27; Powell, 28; Rosebud, 29; Deer Lodge, 30; Teton, 31; Stillwater, 32; Treasure, 33; Sheridan, 34; Sanders, 35; Judith Basin, 36; Daniels, 37; Glacier, 38; Fallon, 39; Sweet Grass, 40; McCone, 41; Carter, 42; Broadwater, 43; Wheatland, 44; Prairie, 45; Granite, 46; Meagher, 47; Liberty, 48; Park, 49; Garfield, 50; Jefferson, 51; Wibaux, 52; Golden

The additional fee must be distributed in accordance with the provisions of subsection ~~(10)(f)(iii) and (10)(f)(iv)~~ (12).

**MESSAGES FROM THE GOVERNOR**

April 19, 2001

The Honorable Dan McGee  
Speaker of the House  
State Capitol  
Helena, Montana 59620

The Honorable Tom Beck  
President of the Senate  
State Capitol  
Helena, Montana 59620

Dear Speaker McGee and President Beck:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 247, "**AN ACT REDUCING THE FEE IN LIEU OF TAX ON HEAVY VEHICLES BY 50 PERCENT OVER A 3-YEAR PERIOD; PROVIDING A REIMBURSEMENT TO LOCAL GOVERNMENTS FOR LOSS OF REVENUE; PROVIDING A STATUTORY APPROPRIATION; AMENDING SECTIONS 17-7-502 AND 61-3-529, MCA; AND PROVIDING EFFECTIVE DATES AND TERMINATION DATES.**," for the following reasons.

I have no objection to the premise of HB 247 or with its specific measures. I have been advised, however, that the bill creates an inadvertent offset of 6 months between the calendar years that dictate the reimbursement schedule in the bill and the fiscal years under which the Department of Revenue actually assesses and collects the tax. It is my understanding that, in the absence of an amendment, the current language will result in local governments receiving more than was intended in the way of reimbursements, at additional cost to the general fund.

Accordingly, I have attached my amendments to make the necessary adjustment in the reimbursement schedule and

amounts. Representative Lewis, the sponsor of the bill, is aware of and agrees with my recommendation.

Sincerely,

JUDY MARTZ  
Governor

completion of the public hearing required by [section 4] and receipt of any written protests within the time period provided by the notice required in that section, the board of county commissioners may submit a proposed code enforcement program for that jurisdictional area to the department of commerce for approval. The department shall approve the program if it satisfies the criteria provided in 50-60-302. Upon approval by the department of the proposed code enforcement program, the board of county commissioners shall file with the county clerk and recorder a copy of the approved program and a map showing the county jurisdictional area as designated by the county commission."

**Insert: "NEW SECTION. Section 6. Election on question of adoption of code enforcement program.** (1) After approval of the proposed code enforcement program by the department, the board of county commissioners shall submit the question of whether to adopt the code enforcement program within the county jurisdictional area designated by the county commission to the record owners of real property located within the designated area if 10% or more of the record property owners within the area have submitted written protests to the board pursuant to [section 4]. The election must be a special mail ballot election as defined in 13-19-102.

(2) The election must be initiated by the board of county commissioners by a resolution of the board pursuant to 13-19-202 directed to the county election administrator and must be conducted in accordance with Title 13, chapter 19. If a majority of the electors who return the mail ballot vote in favor of the code enforcement program, the code enforcement program within the jurisdictional area designated by the board of county commissioners is effective 60 days after the day the county board of canvassers declares the results of the election.

(3) (a) Except as provided in this subsection, a building code adopted as part of a code enforcement program approved by the electors may not be modified without submission of the modification to the electors as provided in this section.

(b) A building code may be modified without submitting the modification to the electors if:

(i) the modification consists of a provision taken from a uniform or model building code; and

(ii) the provision does not regulate a wholly new component of a structure, such as wiring, plumbing, or concrete foundation, that was previously unregulated."

**Insert: "NEW SECTION. Section 7. Petition for designation of county jurisdictional area and adoption of building code.** (1) A county jurisdictional area and a building code applicable to that area may be adopted by petition as provided in this section.

(2) A petition may be circulated by the record owner of real property to which the county jurisdictional area will be applied or extended for the purpose of gathering signatures on the petition. Only a record owner of real estate within the proposed county jurisdictional area is qualified to sign a petition.

(3) A petition to designate a county jurisdictional area may also be circulated by the board of county commissioners. A petition circulated by the board of county commissioners is not subject to the requirements of [section 4].

(4) Before a petition may be circulated for signatures, the language of the proposed building code must be approved by the department of commerce and the form of the petition must be approved by the election administrator of the county in which the real property is located. A building code proposed pursuant to this section must be approved by the department of commerce if it meets the criteria provided in 50-60-302 for the approval of a code within a code enforcement program. The election administrator shall approve the form of the petition if the petition meets, and the election administrator shall comply with, the requirements of 7-5-134, 7-5-135, and this section, except that:

(a) the number of valid signatures required for the creation or extension of the county jurisdictional area is a majority of the record owners of real property located within the proposed jurisdictional area; and

(b) a petition containing the number of valid signatures required by this section is not submitted to a vote by electors.

(5) An individual circulating a petition for signatures must make available to individuals who may sign the petition a copy of the building code approved by the department of commerce and a map showing the county jurisdictional area within which the code will apply. The petition must clearly indicate that the individual signing the petition read and understood the provisions of the code and understood the geographic area in which the code would be applied.

HOUSE JOURNAL  
EIGHTY-EIGHTH LEGISLATIVE DAY - APRIL 19, 2001

(6) The county jurisdictional area and the building code applicable to that area become effective 60 days after the determination by the county election administrator that the petition has been signed by the number of record owners of real property required by this section.

(7) (a) Except as provided in this subsection, once adopted by petition as provided in this section, a county building code may not be amended except by petition in accordance with this section or by submitting the modification to the electors as provided in [section 6].

(b) A county building code adopted by petition may be modified without petition or election if:

(i) the modification consists of a provision taken from a uniform or model building code; and

(ii) the provision does not regulate a wholly new component of a structure, such as wiring, plumbing, or concrete foundation, that was previously unregulated."

Special election required -- notice -- termination of certain municipal jurisdictional areas.** (1) No later than December 31, 2001, the county commissioners of a county in which a municipal jurisdictional area, as defined in 50-60-101, has been established beyond the corporate limits of a municipality before [the effective date of this act] shall submit the question of the continuation of the jurisdictional area beyond the corporate limits of the municipality to a vote by the record owners of real property within the jurisdictional area beyond those limits. The election required by this section must be a special election conducted by mail ballot election as defined in 13-19-102.

(2) The election required by subsection (1) must be initiated by the board of county commissioners by a resolution of the board pursuant to 13-19-202 directed to the county election administrator. The election must be conducted in accordance with Title 13, chapter 19, except to the extent that those provisions conflict with the provisions of this section, in which case the provisions of this section apply.

(3) Notice of the election must be given by the county election administrator by publishing a notice at least once in a newspaper of general circulation in the county in which the election is held. The notice must be published at least 15 days before and no more than 45 days before the election is to be held. The notice must contain a clear synopsis of the building code then in effect within the municipal jurisdictional area beyond the corporate limits of the municipality, a description or map of the area outside the corporate limits of the municipality to which that code applies, the fees charged for permits issued for that area, and the effect of a majority vote for and a majority vote against continuation of the municipal jurisdictional area beyond the corporate limits of the municipality.

(4) If a majority of those persons returning the mail ballots vote in favor of retention of the municipal jurisdictional area beyond the corporate limits of the municipality, the area must continue in existence as provided in law. If a majority of those persons returning the ballots vote against retention of the municipal jurisdictional area beyond the corporate limits of the municipality, that area is terminated on the day on which the board of county canvassers declares the results of the election.

(5) If a municipal jurisdictional area beyond the corporate limits of a municipality is terminated pursuant to this section, the following provisions apply to that area on and after the date of termination:

(a) A building permit issued by a municipality before the termination of the area is valid and enforceable by the municipality issuing the permit.

(b) A building permit may not be issued for the area.

(c) A municipality may not request and the department of commerce may not approve the creation of a municipal jurisdictional area beyond the corporate limits of the municipality.

(6) This section does not apply to county jurisdictional areas designated pursuant to [section 4]."

and

(c) offers contracts with a duration of at least 5 years to sell at least 33% of that commercial system's net generating output at the cost of production plus a rate of return not to exceed 12%.

(3) The cost of production must be determined by dividing the cost and operation of the commercial system over an appropriate time period by the kilowatt-hour output of the system."

**"15-72-104. Wholesale energy transaction tax -- rate of tax -- exemptions -- cost recovery.** (1) (a) Except as provided in subsection (3), a wholesale energy transaction tax is imposed upon electricity transmitted within the state as provided in this section. The tax is imposed at a rate of 0.015 cent per kilowatt hour of electricity transmitted by a transmission services provider in the state.

(b) For electricity produced in the state for delivery outside of the state, the taxpayer is the person owning or operating the electrical generation facility producing the electricity. The transmission services provider shall collect the tax from the person based upon the kilowatt hours introduced onto transmission lines from the electrical generation facility. The amount of kilowatt hours subject to tax must be reduced by 5% to compensate for transmission line losses.

(c) For electricity produced in the state for delivery within the state, the taxpayer is the distribution services provider. The transmission services provider shall collect the tax based upon the amount of kilowatt hours of electricity delivered to the distribution services provider. The taxpayer may apply for a refund for overpayment of taxes pursuant to 15-72-116.

(d) For electricity produced outside the state for delivery inside the state, the taxpayer is the distribution services provider. The transmission services provider shall collect the tax based upon the amount of kilowatt hours of electricity delivered to the distribution services provider.

(e) For electricity delivered to a distribution services provider that is a rural electric cooperative for delivery to purchasers that have opted for customer choice under the provisions of Title 69, chapter 8, part 3, the taxpayer is the distribution services provider. The transmission services provider shall collect the tax based on the amount of kilowatt hours of electricity delivered to the distribution services provider that is attributable to customers that have opted for customer choice.

(f) For electricity delivered to a distribution services provider that prior to May 2, 1999, was owned by a public utility as defined in 69-3-101, the tax is imposed on the successor distribution services provider. The transmission services provider shall collect the tax based upon the amount of kilowatt hours of electricity delivered to the distribution services provider.

(2) (a) If more than one transmission services provider transmits electricity, the last transmission services provider transmitting or delivering the electricity shall collect the tax.

(b) If the transmission services provider is an agency of the United States government, the distribution services provider receiving the electricity shall self-assess the tax subject to the provisions of this part.

(c) If an electrical generation facility located within the state produces electricity for sale inside and outside the state, sales within the state are considered to have come from electricity produced within the state for purposes of the tax imposed by this section.

(3) (a) Electricity transmitted through the state that is not produced or delivered in the state is exempt from the tax imposed by this section.

(b) Electricity produced in the state by an agency of the of the United States government for delivery outside of the state is exempt from the tax imposed by this section.

(c) Electricity produced by wind turbines erected on state land for which annual lease payments are made to the permanent school trust fund is exempt from the tax imposed by this section.

**"NEW SECTION. Section 1. Electrical energy excess revenue tax -- rate of tax -- legislative review. (1)**

There is a tax imposed on a person generating electrical energy in Montana as provided in [sections 1 through 10].

(2) The tax is measured by excess revenue derived from the sale of electrical energy. Excess revenue is determined from the sale of electrical energy at a price greater than \$0.045 per kilowatt hour. The tax rate is 90% of the excess revenue.

(3) For the purposes of this section, the following definitions apply:

(a) "Arm's-length sale" means an agreement between independent parties with opposing economic interests in the sale and no business relationships other than the agreement. An arm's-length sale is a sale for an amount of electrical energy generated and sold at a single price pursuant to a single contract or a sale on the open market.

(b) "Sales price" means the total value of all consideration received by the taxpayer for an arm's-length sale of electrical energy divided by the kilowatt hours sold. If the sale of electrical energy is other than an arm's-length sale, the sales price must be imputed as provided in subsection (4) and equals the daily weighted average mid-Columbia price for firm, on-peak electricity as reported in the Wall Street Journal on the day of the sale.

(4) The department shall impute the sales price for electrical energy under the following conditions:

(a) the sale is not an arm's-length sale;

(b) the sale is a nonmonetary sale;

(c) the sale is made to fulfill a contractual obligation of an affiliated business entity.

(5) The proceeds of the tax imposed under [sections 1 through 10] must be deposited in the state general fund.

(6) The department may request assistance from the public service commission in analyzing data necessary to calculate the electrical energy excess revenue tax.

(7) The interim revenue and transportation committee shall review the tax rate imposed in subsection (2) for reasonableness and adequacy and report its findings, including whether it would be appropriate to revise the rate schedule, to the 58th legislature."

**MESSAGES FROM THE GOVERNOR**

April 19, 2001

HOUSE JOURNAL  
EIGHTY-EIGHTH LEGISLATIVE DAY - APRIL 19, 2001

The Honorable Dan McGee  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear Representative McGee:

Please be informed that I have signed **House Bill 261** sponsored by Representative Jent et al. and **House Bill 319** sponsored by Representative Galvin-Halcro et al. on April 19, 2001.

Sincerely,

JUDY MARTZ  
Governor

April 19, 2001

The Honorable Tom Beck  
President of the Senate  
State Capitol  
Helena, Montana 59620

The Honorable Dan McGee  
Speaker of the House  
State Capitol  
Helena, Montana 59620

Dear President Beck and Speaker McGee:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments Senate Bill 436, "**AN ACT REVISING SCHOOL DISTRICT OPERATING EXPENSE AND PURCHASING LAWS BY ALLOWING A DISTRICT TO MAKE TRANSFERS BETWEEN DIFFERENT FUNDS OR BETWEEN THE FINAL BUDGET AND A BUDGET AMENDMENT; PROHIBITING TRANSFERS FROM THE GENERAL FUND; AND AMENDING SECTIONS 20-9-133, 20-9-201, 20-9-208, AND 20-9-443, MCA; AND PROVIDING AN EFFECTIVE DATE AND AN APPLICABILITY DATE**" for the following reasons.

As you know, SB 436 expands the current authority of school districts to transfer between appropriation amounts within the same budgeted fund and would now allow for the transfer between budgeted (and non-budgeted) funds themselves. I am in full support of the idea of increasing the flexibility afforded to school districts in terms of their expenditures and budgets. I am, however, concerned that SB 436, in its present form, has the potential for allowing school districts to exceed general fund budget limits that are presently established in law.

Accordingly, I am recommending that Section 1 of the bill be amended to clarify that the "resulting budget" that constitutes the "final budget" under § 20-9-133, MCA does not include any budget authority transferred in from other funds under the other provisions of SB 436. This amendment will not preclude districts from availing themselves of

HOUSE JOURNAL  
EIGHTY-EIGHTH LEGISLATIVE DAY - APRIL 19, 2001

the flexibility afforded under SB 436 – districts will still be able to make transfers as contemplated under the bill. It will, however, ensure that any transfers of budget authority under SB 436 cannot be used to expand a district's general fund budget amount for any ensuing school fiscal year beyond what would otherwise be permitted by law.

Finally, my other proposed amendment simply clarifies that, like transfers *from* the general fund to another budgeted fund, transfers *to* the general fund are also prohibited unless otherwise authorized by SB 436 or another specific provision in Title 20, MCA. This will ensure that transfers both into and out of the general fund are addressed in a similar fashion.

The sponsor of SB 436, Senator Ellis, has been advised of my amendatory recommendations and has no objections.

Sincerely,

JUDY MARTZ  
Governor

Dear President Beck and Speaker McGee:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments Senate Bill 179, "**AN ACT GENERALLY REVISING LAWS GOVERNING BUDGETING AND APPROPRIATIONS; CLARIFYING THE MAXIMUM EXPENDITURE FOR AN EMERGENCY OR DISASTER; REVISING THE LAW GOVERNING ACCRUALS; PROVIDING THAT**

My concerns regarding SB 179 are limited to Section 2, which I understand was intended to exempt equipment for highway maintenance from certain provisions governing accruals. I have been advised, however, that the exclusion of the MDT maintenance program will not technically accomplish that objective, as equipment is purchased in a separate equipment program. As a second concern, the proposed revision to the law governing accruals would apply to the current fiscal year, even though agencies may have entered into contracts or purchase orders that will not be completed or delivered prior to July 1, 2001. It is my understanding that, at a minimum, agencies must have at least a year in which to implement any new accrual provisions.

As I'm sure you're aware, agencies must manage their total budget responsibly. Under tight financial circumstances, that means achieving vacancy savings, delivering priority services, paying off vacation and sick leave for retirees, and meeting other priorities before ordering authorized replacement equipment towards the end of the fiscal year. Many extenuating circumstances beyond the control of an agency may cause equipment not to be delivered prior to July 1st -- weather, transportation problems and manufacturing problems, just to name a few.

We are working with the Department of Administration to implement a new SABHRS financial system functionality that will eliminate the expenditures of concern under Section 2 of SB 179 from the budget that we will present to the 58th Legislature. We are confident that the new SABHRS functionality will improve our management practices and will adequately respond to all of the objections that were driven by our former state accounting system (SBAS).

In the meantime, in an effort to address both our concerns and the concerns of the Legislature, I am recommending an amendment to Section 2 of SB 179 that will restrict general fund accruals, require written plans to the Department of Administration, and authorize the Department to delete an encumbrance at fiscal year end. In addition, my amendment will also require the preparation and submission of a fiscal year end report to both OBPP and the Legislative Finance Committee on each general fund encumbrance remaining at fiscal year end.

The sponsor of SB 179, Senator Zook, has been advised of my amendatory recommendation.

Sincerely,

JUDY MARTZ

Dear President Beck and Speaker McGee:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby

HOUSE JOURNAL  
EIGHTY-NINTH LEGISLATIVE DAY - APRIL 20, 2001

return with amendments Senate Bill 282, **"AN ACT CREATING THE ASBESTOS CLAIMS COURT; PROVIDING FOR THE APPOINTMENT OF THE ASBESTOS CLAIMS JUDGE; PROVIDING FOR THE PROCEDURES TO BE USED FOR TRYING AN ASBESTOS-RELATED CLAIM; AMENDING SECTIONS 3-5-113, 3-5-115, 3-15-104, 3-15-204, AND 3-15-205, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE"** for the following reasons.

I have no concerns with the objectives of SB 282, or with its specific measures. It is, as you know, intended to address the large number of asbestos-related claims that have arisen and will likely continue to arise in the Nineteenth Judicial District. As you are also aware, however, the recent bankruptcy filing by W.R. Grace has raised numerous questions as to the extent to which, if at all, asbestos-related claims against W.R. Grace will be allowed to proceed in a state court forum. It is my understanding that, at least for the present, all actions arising from exposure to asbestos indirectly or directly caused by Grace and/or its affiliated entities (including those pending in Montana state courts) have been enjoined by the bankruptcy court.

The bankruptcy filing has thus created numerous uncertainties as to the ultimate need for the asbestos claims court. In the event that all asbestos-related claims against Grace and its affiliates have to be litigated in the context of the bankruptcy proceeding, the need for the special court may not arise. On the other hand, it is at least possible that the bankruptcy court may allow some or all of the Montana cases to proceed in state court, or perhaps allow cases to proceed against Grace insurers in state court. In that event, the asbestos court may well prove to be necessary. At this point, however, it is impossible to speculate as to what the future holds.

In light of that uncertainty, I recommend that the bill's effective date be made contingent upon a determination by the Montana Supreme Court that, based on decisions made in the federal bankruptcy proceeding and other circumstances that the Court deems advisable to consider, there is sufficient need to implement the provisions of SB 282. I have enclosed my amendment to that effect.

The sponsor of this bill, Senator Crismore, as well as the Montana Supreme Court have been advised of my amendatory recommendation and have no objections.

Sincerely,

JUDY MARTZ

The Honorable Dan McGee  
Speaker of the House  
State Capitol

Dear President Beck and Speaker McGee:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments Senate Bill 313, **"AN ACT AUTHORIZING A DISTRICT TO DEPRECIATE TECHNOLOGICAL EQUIPMENT AS AN AUTHORIZED USE OF THE TECHNOLOGY ACQUISITION AND DEPRECIATION FUND; REQUIRING VOTER APPROVAL FOR A LEVY TO INCREASE THE DISTRICT'S FUNDS TO SUPPORT TECHNOLOGY; AMENDING SECTIONS 20-9-375 AND 20-9-533, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE"** for the following reasons.

As you know, SB 313 authorizes school districts to depreciate technological equipment as a permissible use of the already-existing technology fund under §20-9-533, MCA. By virtue of that change, however, districts will also be authorized to impose a voter-approved levy to assist in funding that depreciation.

My recommended amendments to SB 313 are intended to (1) avoid any potential conflict with SB 117, which I've already signed into law and (2) clarify that SB 313 contemplates only one levy, which is subject to voter approval. In terms of the first item, SB 117 broadly removes all school levies under Title 20, MCA from the operation of § 15-10-420, MCA. It is my understanding (and the understanding of the sponsor, Senator Thomas), however, that the proponents of SB 313 intended that its voter-approved levy remain subject to § 15-10-420, MCA. Accordingly, amendments 2 and 4 on the attached are intended to clarify that the levy contemplated by SB 313 remains subject to Title 15, MCA, notwithstanding the general language of SB 117.

In terms of the second issue, the bill in its current form arguably creates both a permissive levy (i.e., non-voted) and an additional voted levy. Again, it is my and Senator Thomas' understanding that the bill was always intended to contemplate only one levy, subject to voter approval and to the 20%/150% limits of Section 2(3). Accordingly, my amendments 1 and 3 on the attached are intended to make that clear.

Finally, I am also recommending a coordination instruction to ensure that the voted levy contemplated under SB 313 will be conducted in conformity with HB 179, which establishes uniform procedures for local governments to follow

HOUSE JOURNAL  
EIGHTY-NINTH LEGISLATIVE DAY - APRIL 20, 2001

in conducting voted mill levy elections. House Bill 179 contemplates that voted school levies of the type embodied in SB 313 will be conducted under its new provisions.

The sponsor of SB 313, Senator Thomas, has been advised of and agrees with my amendatory recommendations.

Sincerely,

Dear President Beck and Speaker McGee:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments Senate Bill 442, **"AN ACT CREATING A REVOLVING FUND FOR LOANS FOR LOW-INCOME FAMILIES, USING TEMPORARY ASSISTANCE FOR NEEDY FAMILIES BLOCK GRANT FUNDS"** for the following reasons.

I have no concerns with the objectives of SB 442 or with its specific provisions. As you know, the bill creates a revolving loan account in the Department of Public Health and Human Services [DPHHS] to provide loans to individuals eligible for TANF-funded programs for various purposes, including job training expenses, weatherization/energy conservation work on homes, business start-up costs, etc.

I would, however, recommend that the current language in Section 1(2) of the bill mandating that DPHHS access TANF funds for purposes of the program be amended to allow the Department the discretion to make the threshold determination as to the viability of the program. That objective can be accomplished by simply changing the word "must" to "may", which I've proposed in the attached amendment. That change will afford DPHHS the flexibility to determine whether there is in fact a demand for this type of program before having to access the TANF funds.

The sponsor of SB 442, Senator Cobb, has been advised of my amendatory recommendation and it is my understanding that he has no objection.

Sincerely,

With the exception of one specific provision, I have no concerns with the objectives or contents of SB 77, which generally revises our public assistance laws. I do, however, disagree with that discrete provision in Section 22 that extends, under certain conditions, public assistance eligibility to individuals who have been convicted of a felony involving controlled substances, as that term is defined by federal law. I recommend that specific provision be stricken from SB 77 and that the current prohibition against such an extension of eligibility remain in place. I have attached my amendment to that effect.

The sponsor of SB 77, Senator Hargrove, has been advised of my amendatory recommendations.

Sincerely,

JUDY MARTZ  
Governor

(b) purchase electricity from the market; and

(c) use a mechanism that recovers electricity supply costs in rates ~~to ensure that those costs are fully recovered~~ as provided in subsection (4).

(3) (a) The default supplier shall provide for the full electricity supply requirements of all default supply customers. (b) A default supplier may submit material related to proposed bids or contracts concerning electricity supply to the commission before the default supplier enters into the contract. The commission may comment on the material.

(4) (a) The commission shall use an electricity cost recovery mechanism that ensures that all prudently incurred electricity supply costs are fully recoverable in rates. The cost recovery mechanism must provide for prospective rate adjustments for cost differences resulting from cost changes, load changes, and the time value of money on the differences.

(b) The default supplier shall submit a proposed electricity supply cost recovery mechanism to the commission for approval on or before July 1, 2001. A mechanism must be adopted by the commission before March 30, 2002.

**"69-8-211. Public utilities -- transition costs and charges -- rate moratorium.** (1) Subject to the provisions of this section, the commission shall allow recovery of the following categories of transition costs:

(a) the unmitigable costs of qualifying facility contracts, including reasonable buyout or buydown costs, for which the contract price of generation is above the market price for generation;

(b) the unmitigable costs of energy supply-related regulatory assets and deferred charges that exist because of current regulatory practices and that can be accounted for up to the effective date of the commission's final order regarding a public utility's transition plan, including costs, expenses, and reasonable fees related to issuing of transition bonds;

(c) the unmitigable transition costs related to public utility-owned generation and other power purchase contracts, except that recovery of those costs is limited to the amount accruing during the first 4 years after the commission enters an order pursuant to 69-8-202(3); and

(d) other transition costs as may qualify for recovery under this section.

(2) Transition costs as determined by the commission upon an affirmative showing by a public utility must meet the following requirements:

(a) Transition costs must reflect all reasonable mitigation by the public utility, including but not limited to good faith efforts to renegotiate contracts, buying out or buying down contracts, and refinancing through transition bonds.

(b) The value of all generation-related assets and liabilities and electricity supply costs must be reasonably demonstrable and must be considered on a net basis, and methods for determining value must include but are not limited to:

(i) estimating future market values of electricity and ancillary services provided by the assets;

(ii) appraisal by independent third-party professionals; or

(iii) a competitive bid sale.

(c) Investments and power purchase contracts must have been previously allowed in rates or, if not

HOUSE JOURNAL  
NINETIETH LEGISLATIVE DAY - APRIL 21, 2001

previously in rates, must be determined to be used and useful to ratepayers in connection with the commission's approval of the utility's transition plan.

(d) Unless otherwise provided for in this chapter, only costs related to existing investments and power purchase contracts identified in subsection (2)(c) and costs arising from those investments and power purchase contracts may be included as transition costs.

(3) (a) On commission approval of the amount of a public utility's transition costs, those costs must be recovered through the imposition of a transition charge.

(b) A transition charge may not be collected from customers for:

(i) new or additional loads of 1,000 kilowatts or greater that were first served by the public utility after December 31, 1996; or

(ii) loads served by that customer's own generation.

(c) Subject to commission approval, a utility and a customer may agree to alter the customer's transition charge payment schedule. Public utilities may file with the commission tariffs for electric service rates that foster economic development or retention of existing customers within the state, including generally available rate schedules. Transition charges are the only charges that may be imposed upon a customer class to recover transition costs under this section. A separate exit fee may not be charged.

(4) Transition charges must be imposed within a transition cost recovery period approved by the commission on a case-by-case basis. Except for transition costs recovered under subsection (1)(c), categories of transition costs may have varying transition cost recovery periods.

(5) Approval of transition costs and collection of those transition costs through transition charges is a settlement of all transition costs claims by a public utility. A public utility seeking to recover transition costs through any means not authorized by this chapter may not collect transition charges with respect to these transition costs.

(6) Except as provided in subsection (7), public utilities shall implement a rate moratorium ~~during the transition period as follows:~~

~~(a) From July 1, 1998, through June 30, 2000, public utilities may not charge rates higher than those rates in effect on July 1, 1998.~~

~~(b) From from July 1, 2000, through June 30, 2002, and~~ only for those customers subject to the provisions of 69-8-201(1)(b); During that period, public utilities may not increase that increment of rates normally allocated to electric supply-related costs above the increment associated with electric supply-related costs reflected in rates in effect on July 1, 1998. Beginning on July 1, 2000, public utilities may propose increases to those increments of rates normally allocated to transmission and distribution costs.

(7) Excepted from the provisions of subsection (6) are:

(a) increased costs related to universal system benefits programs greater than those currently in rates, including the treatment of universal system benefits program costs as an expense;

(b) increased costs necessary to implement full customer choice, including but not limited to metering, billing, and technology. Those costs must be recovered from the customers on whose behalf the increased costs are incurred.

(c) subject to commission approval, an extraordinary event resulting in either:

(i) a 4% annual revenue requirement increase from July 1, 1998, through June 30, 2000; or

(ii) an 8% power supply-related annual revenue requirement increase from July 1, 2000, through June 30, 2002;

(d) the increase or decrease in the annual state and local property tax expense that has occurred since May 2, 1997.

(8) Notwithstanding subsections (6) and (7), during the transition period, public utilities may not charge rates or collect costs that include costs reallocated to transition costs at a level higher than the public utility would reasonably expect to recover in rates had the current regulatory system remained intact.

(9) Public utilities shall apply savings resulting under 69-8-503 toward the rate moratorium pursuant to subsection (6).

The public utility may include the flow through of investment tax credits so that the public utility's earned return on equity is maintained at 9.5%. Accumulated deferred investment tax credits amortized under this subsection may not be reflected in operating income for ratemaking purposes.

**"69-8-402. Universal system benefits programs.** (1) Universal system benefits programs are established for the state of Montana to ensure continued funding of and new expenditures for energy conservation, renewable resource projects and applications, energy conservation measures for irrigated agriculture, and low-income energy assistance during the transition period and into the future.

(2) Beginning January 1, 1999, 2.4% of each utility's annual retail sales revenue in Montana for the calendar year ending December 31, 1995, is established as the initial funding level for universal system benefits programs. To collect this amount of funds on an annualized basis in 1999, the commission shall establish rates for utilities subject to its jurisdiction and the governing boards of cooperatives shall establish rates for the cooperatives. Except as provided in subsection ~~(7)~~ (8), these universal system benefits charge rates must remain in effect until ~~July 1, 2003~~ December 31, 2005.

(a) The recovery of all universal system benefits programs costs imposed pursuant to this section is authorized through the imposition of a universal system benefits charge assessed at the meter for each local utility system customer as provided in this section.

(b) Utilities must receive credit toward annual funding requirements for a utility's internal programs or activities that qualify as universal system benefits programs, including those portions of expenditures for the purchase of power that are for the acquisition or support of renewable energy, conservation-related activities, conservation and efficiency measures for irrigated agriculture, or low-income energy assistance, and for large customers' programs or activities as provided in subsection ~~(7)~~ (8). The department of revenue shall review claimed credits of the utilities and large customers pursuant to 69-8-414.

(c) A utility's distribution services provider at which the sale of power for final end use occurs is the utility that receives credit for the universal system benefits programs expenditure.

(d) A customer's distribution services provider shall collect universal system benefits funds less any allowable credits.

(e) For a utility to receive credit for low-income related expenditures and conservation and efficiency measures for irrigated agriculture, the activity must have taken place in Montana.

(f) If a utility's or a large customer's credit for internal activities does not satisfy the annual funding provisions of subsection (2), then the utility shall make a payment to the universal system benefits fund established in 69-8-412 for any difference.

(3) Cooperative utilities may collectively pool their statewide credits to satisfy their annual funding requirements for universal system benefits programs, conservation and efficiency measures for irrigated agriculture, and low-income energy assistance.

(4) A utility's transition plan must describe how the utility proposes to provide for universal system benefits programs, including the methodologies, such as cost-effectiveness and need determination, used to measure the utility's level of contribution to each program.

(5) A utility's minimum annual funding requirement for low-income energy and weatherization assistance is established at 17% of the utility's annual universal system benefits funding level and is inclusive within the overall universal system benefits funding level.

(a) A utility must receive credit toward the utility's low-income energy assistance annual funding requirement for the utility's internal low-income energy assistance programs or activities.

HOUSE JOURNAL  
NINETIETH LEGISLATIVE DAY - APRIL 21, 2001

(b) If a utility's credit for internal activities does not satisfy its annual funding requirement, then the utility shall make a payment for any difference to the universal low-income energy assistance fund established in 69-8-412.

(6) An individual customer may not bear a disproportionate share of the local utility's funding requirements, and a sliding scale must be implemented to provide a more equitable distribution of program costs.

(7) (a) Except for those utilities that have not filed a transition plan, a utility's minimum annual funding requirement for reducing energy costs through conservation and efficiency measures for irrigated agriculture is established at 6% of the utility's annual universal system benefits funding level and is inclusive within the overall universal system benefits funding level.

(b) A utility must receive credit toward the utility's irrigated agriculture assistance annual funding requirement for the utility's internal irrigated agriculture assistance programs or activities.

(c) If a utility's credit for internal activities does not satisfy its annual funding requirement, then the utility shall make a payment for any difference to the irrigated agriculture energy assistance fund established in 69-8-412.

~~(7)~~(8) (a) A large customer:

(i) shall pay a universal system benefits programs charge with respect to the large customer's qualifying load equal to the lesser of:

(A) \$500,000, less the large customer credits provided for in this subsection ~~(7)~~ (8); or

(B) the product of 0.9 mills per kilowatt hour multiplied by the large customer's total kilowatt hour purchases, less large customer credits with respect to that qualifying load provided for in this subsection ~~(7)~~ (8);

(ii) must receive credit toward that large customer's universal system benefits charge for internal expenditures and activities that qualify as a universal system benefits programs expenditure, and these internal expenditures must include but not be limited to:

(A) expenditures that result in a reduction in the consumption of electrical energy in the large customer's facility; and

(B) those portions of expenditures for the purchase of power at retail or wholesale that are for the acquisition or support of renewable energy or conservation-related activities.

(b) Large customers making these expenditures must receive a credit against the large customer's universal system benefits charge, except that any of those amounts expended in a calendar year that exceed that large customer's universal system benefits charge for the calendar year must be used as a credit against those charges in future years until the total amount of those expenditures has been credited against that large customer's universal system benefits charges.

~~(8)~~(9) A public utility shall prepare and submit an annual summary report of the public utility's activities relating to all universal system benefits programs to the commission, the department of revenue, and the transition advisory committee provided for in 69-8-501. A cooperative utility shall prepare and submit annual summary reports of activities to the cooperative utility's respective local governing body, the statewide cooperative utility office, and the transition advisory committee. The statewide cooperative utility office shall prepare and submit an annual summary report of the activities of individual cooperative utilities, including a summary of the pooling of statewide credits, as provided in subsection (3), to the department of revenue and to the transition advisory committee. The annual report of a public utility or of the statewide cooperative utility office must include but is not limited to:

(a) the types of internal utility and customer programs being used to satisfy the provisions of this chapter;

(b) the level of funding for those programs relative to the annual funding requirements prescribed in subsection (2); and

(c) any payments made to the statewide funds in the event that internal funding was below the prescribed annual funding requirements.

~~(9)~~(10) A utility or large customer filing for a credit shall develop and maintain appropriate documentation to support the utility's or the large customer's claim for the credit.

~~(10)~~(11) (a) A large customer claiming credits for a calendar year shall submit an annual summary report

The annual report of a large customer must identify each qualifying project or expenditure for which it has claimed a credit and the amount of the credit. Prior approval by the department of revenue or the utility is not required, except as provided in subsection ~~(10)(b)~~ (11)(b).

(b) If a large customer claims a credit that the department of revenue disallows in whole or in part, the large customer is financially responsible for the disallowance. (a) by one or more default suppliers for those customers not being served by a competitive supplier; or  
(b) by the distribution function of a public utility for those customers that are not being served by a competitive electricity supplier as provided by commission rules. During the transition period, those procurements may include a cost-based contract from a supply affiliate or an unregulated division.

(2) The commission shall decide if there is workable competition in the electricity supply market by determining whether competition is sufficient to inhibit monopoly pricing or anticompetitive price leadership. In reaching a decision, the commission may not rely solely on market share estimates.

(3) The commission shall license electricity suppliers and enforce licensing provisions pursuant to 69-8-404.

(4) The commission shall promulgate rules that identify the licensees and ensure that the offered electricity supply is provided as offered and is adequate in terms of quality, safety, and reliability.

(5) The commission shall establish just and reasonable rates through established ratemaking principles for public utility distribution and transmission services and shall regulate these services. The commission may approve rates and charges for electricity distribution and transmission services based on alternative forms of ratemaking such as performance-based ratemaking, on a demonstration by the public utility that the alternative method complies with this chapter, and on the public utility's transition plan.

(6) The commission shall certify that a cooperative utility has adopted a transition plan that complies with this chapter. A cooperative utility's transition plan is considered certified 60 days after the cooperative utility files for certification.

As you are aware, the purpose of my amendment is to correct a technical error that occurred during the process of compiling the numerous amendments to this lengthy and complex bill. The error, which relates to the entitlement share figures for certain tax increment financing districts, has been confirmed and discussed by the Legislative Services Division, my Office of Budget and Program Planning and the Department of Revenue. My proposed amendment has also been reviewed by those offices, all of which are in agreement that the amendment will correct the technical error.

The sponsor of HB 124, Representative Story, has been advised of my recommendation and agrees that it should be adopted.

Sincerely,
